### Public Hearing Oct. 19 On River Road

New Federal Limited-Access Highway To Bypass Quad-Cities

(Map on Page 18)  
A public hearing on the routing of the Great River Road (Federal Aid Route 151) west of the Quad-Cities and into Venice will be conducted here Oct. 19.

Notice of the hearing for the public as well as governmental agencies was made over the weekend by G. H. Shanahan, district engineer for the state Division of Highways. It will be held at 10 a.m. Oct. 19, in the auditorium at Granite City high school.

Shanahan said his office staff will outline improvements for FA Route 151 from the intersection at U. S. Bypass 66-40 west of Mitchell extending south to a point near the intersection of Broadway with Main at the approach to the McKinley Bridge in Venice.

The proposed work on the highway which is to relieve U. S. Highway 67A and bypass the Quad-Cities will include construction of dual 24-foot and 36-foot pavements with a variable width median. At-grade sections with major streets will be provided for access.

Local Access Roads  
The access roads are shown on the map at North street in Granite City, and Bypass 66-40, 20th street, Niedringhaus avenue and Bissell street, as well as Broadway and Main street.

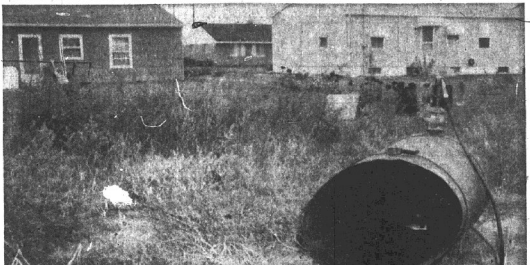

The state already has acquired a portion of the right-of-way south of Bypass 66-40. A token amount of money has been allocated this year to acquire right-of-way for the mainline highway, limited-access roadway.

Design for the Quad-City bypass shows it will be located west of the A. O. Smith Corp. and RC Cola Co. plants and will proceed south through West Granite and along Cedar street, paralleling the Granite City Army Depot fence. It will be located between the depot fence

**BIRTHS**  
Births recorded at St. Elizabeth Hospital:  
GIRLS  
Mr. and Mrs. Donald Hart, 4408 Kirkpatrick Homes, Sept. 27, Pamela Dawn, seven pounds, 13 ounces.  
Mr. and Mrs. Melvin Ketcham, 3828 Lake drive, Sept. 27, Louise Ann, seven pounds, eight ounces.  
Mr. and Mrs. Edward Mayer, 2400 Benton street, Sept. 29, Laura Ann, six pounds, six ounces.  
Mr. and Mrs. Dexter Bilsong, 3603 Ruth avenue, Sept. 29, Nancy Jo, seven pounds.  
Mr. and Mrs. Gerald Buck, 2039 Harris street, Madison, Sept. 30, Sheila Nadine, six pounds, two ounces.  
Mr. and Mrs. J. D. Mavler, 3308 Kirkpatrick Homes, Sept. 30, Vicki Lynn, six pounds, six ounces.

BOYS  
Mr. and Mrs. Gordon Pierson, 103 Kirkpatrick Homes, Sept. 27, Christopher Lee, five pounds, 11 ounces.  
Mr. and Mrs. Larry Vow, 2820 Victory drive, Sept. 27, Larry Michael, eight pounds, nine ounces.  
Mr. and Mrs. Marcellus Gausepohl, 2335 Hennick avenue, Sept. 27, James Anthony, six pounds, seven ounces.  
Mr. and Mrs. James Huddleston, 1203 Granite avenue, Sept. 28, James Clifford Jr., eight pounds, one ounce.  
Mr. and Mrs. Gordon Thomas, 1117 Rhodes street, Madison, Sept. 29, Philip Anthony, six pounds, 13 ounces.  
Mr. and Mrs. Billy Bancroft, Collinsville, Sept. 30, Richard Keith, nine pounds, nine ounces.  
Mr. and Mrs. Richard Houston, 816 Ralph street, Sept. 30, Brent Richard, eight pounds, eight ounces.  
Mr. and Mrs. David Whitsett, 3204 Wayne avenue, Sept. 30, Charles Lee, seven pounds, 15 ounces.

Press-Record Staff Photographer  
FUEL OIL EXPLOSION knocked out the end of this 300-gallon tank in the 2400 block of Delta avenue in Glenview subdivision Saturday afternoon. Four boys, ages eight to ten, escaped injury although one had his eyebrows and hair singed. Police said the boys were playing at the tank with matches. Contractors are being advised of the hazard.

**No Rent Raise At Project; Weekend Circulars 'False'**  
Circulars flooded Granite City during the weekend on bond issue are false, said a housing official. The last-minute appeals were described as containing "even more vicious lies" than the "No" propaganda circulated earlier.

An example cited today by the Citizens' Health-Progress Committee was a mimeographed statement by Leroy J. Mangiaracino, a Kirkpatrick Homes resident. The circulars stated that the GCHP committee was being notified by the Housing Authority that Mangiaracino's circular is "entirely wrong."

The GCHP committee points out that "rents are based on income of the tenants, and not on any local conditions of taxes, bond issues or construction."

Asked to comment, David W. Morgan, Housing Authority executive director, said the project committee had received no rent information from the authority. The government's contribution for sewage treatment is in the same category as other improvements carried out at Kirkpatrick Homes. Morgan said, adding that none affect the rent. There is no plan for higher rent, he emphasized.

The circular apparently divided the 431 apartments into a \$6824 annual Housing Authority fee, which amounts to \$15.13 a year. Wording of the circular led some tenants to believe that Mangiaracino's estimate applied to monthly, not yearly rent. But no raise of any kind is planned, the notices sent out today point out.

**Man Found Inside Church Charged With Burglary**  
Robert Turner, 31, of Godfrey is being held by the Granite City police department after failing to make \$2500 property bond. He was arrested Saturday morning. He was arrested at 3:20 a.m. Saturday in a Belleville church a few days ago.

Turner, who was summoned to a residence of the area who heard hammering in the church. They found windows broken out at the front and back of the building. Turner, police said, was out on bond for an alleged burglary of a Belleville church a few days ago.

**A. O. Smith Recalls 135; ASF Cuts This Week**  
A. O. Smith Corp., now producing frames for the 1963 Chevrolet which went on display last week, recalled 135 production workers this week to open operation on half an assembly line. The local plant's total employment now is 1400 persons.

At American Steel Foundries, where production workers put in four days last week, they are being out this week to the cleaning room, pattern shop and office. The plant has about 600 employees at work.

A. P. Steinhauer, works manager, said the plant should work four days in production next week.

**17 Months Preparation**  
(Picture on Page 3)  
Complete and ready for distribution by the Tri-Cities Chamber of Commerce is a 123-page industrial development brochure which will be mailed to residents in the area. The initial copy was presented Saturday to C. C. of President Paul Lichtenberger by C. E. Townsend, Press-Record editor and publisher and chairman of the C. C. of Industrial Development committee.

The brochure, looseleaf, is to be kept up to date, is in a binder, and the cover of which proclaims — "Prime industrial property still available in the strategic center of America — the Tri-Cities of Illinois — Granite City, Madison, Venice."

70 Sites Available  
For interested industries, the brochure points out there are 70 pieces of property ranging in size from seven to 1100 acres, a total of 11,200 acres, available here. A map in color shows the locations.

The guide for new industries was compiled professionally at a cost of \$4000 and it has been estimated another \$4000 worth of volunteer time went into it. The local C. C. staff, headed by Executive Secretary Harlan Dobry, has the task of keeping it up to date and mailing out

### 4 Boys Escape Injury When Fuel Tank Explodes

Four small boys, eight to ten years old, escaped serious injury Saturday evening in the 2400 block of Delta avenue where they were playing at a 300-gallon fuel oil storage tank and an explosion tore the end out of it. One boy, police said, had his eyebrows and hair singed, but the boys were away from the end of the tank when it exploded.

Assistant Fire Chief Curtis Dauley investigated the explosion and said it was apparent the tank was empty.

changed data sheets to subscribers. The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Lois Reeves, 2244 Woodlawn avenue; Ruby Jeffries, 1203 S. Boskey; 827 Niedringhaus avenue; Larry Stephens, 1644 Third street; Madison; Estelle McKinnis, 1801 S. Boskey; Madison; Gilbert Duodde, Rural Route One; Harold Cravens, East St. Louis; Charlotte Bilbey, Venice Homes; Wade Walker, 1864 Polaris street; Mildred Thibault, 1916 Joy avenue; Everett and 120 Third street; Violet Landa, 2332 Miracle avenue; Mildred Chandler, 2504 Dogwood drive.

### AIN Editorial

Tomorrow is Granite City's great day of decision. Never in the city's history has there been an election that has so directly touched the individual health and economic welfare of all citizens. This conviction is strongly shared by the writer, who has lived here for 20 years.

Granite City's sewer problem is not new; it goes back to the 1920s when the last major sewer construction took place. Those sewers are now 40 years old—and they were inadequate to begin with. Today, they are a public disgrace.

Normal rainfalls cause conditions that are shocking; the entire medical profession is alarmed by the sweeping health menace. Raw sewage flows in open ditches, onto streets and lawns, and into basements. Dried, the germ-laden effluent is blown to every neighborhood, to every block. No one is immune from the ever-present threat of such diseases as sleeping sickness and typhoid, to say nothing of lesser contagious and infectious maladies.

There are two kinds of pollution involved in tomorrow's election. Internal city pollution that jeopardizes families, especially children at play; river pollution that jeopardizes drinking water, commercial fishing and recreational uses to which the river might be put.

While it is river pollution that Federal and State authorities have legislated against, what good is clean river water if we have to wallow in filth within the city? Every hard rain virtually impounds effluent; there is no escape for it—or from it. The overloaded sewers simply are too few and too small.

The \$10 million drainage-pollution program of the Citizens' Sewer and Drainage Committee is the result of more than three years' intensive study. It offers a realistic solution to sewage overflows and back-ups, street flooding and abatement of river pollution, all for \$3.25 a month (75¢ a month for Namekiki already paying \$2.50). At least 85% of all families will pay no more than these amounts.

The program also gives Granite Cityans full control of the project and its operation, lifts the State ban on sewer extensions that has halted new construction, qualifies the city for up to \$20 million in Federal Urban Renewal funds, and provides for separate storm water and sanitary sewers sufficiently large to handle Granite City's anticipated growth for the next 20 years.

It should be emphasized that the Citizens' Committee program—and only its program—will yield all these benefits. Failure to approve the bond issue tomorrow would be tragic—and costly. It would leave the door for the East Side Levee Board to come in, build a river pollution treatment plant only at more than double the city's cost, spend an extra \$70,000 a year to staff and operate it, and charge Granite Cityans an estimated \$1.25 to \$1.80 per month (this would also be paid by Namekiki in addition to their present \$2.50). For this, only the river would be cleaned up.

Do Granite Cityans want to pay so much for so little? Do Granite Cityans want to abdicate their right to self-government? We hope not; we don't think so.

The 25-member Citizens' Sewer and Drainage Committee, non-political and non-partisan, is composed of representatives of business, labor, industry, religious and public groups, who serve without pay or expense. The same dedication to public service that has governed their deliberations these last three years will continue, if the bond issue wins. The public interest will be safeguarded by the Committee through all phases of bidding, construction and operation of the drainage-pollution project.

To the man who is concerned about his family's health and welfare, who wants Granite City to expand so there are job opportunities for himself and also his children in future years, the citizens' drainage-pollution program is the answer.

Tomorrow is bargain day; do yourself a favor and vote "Yes."

**Testing Auto, Has Crash**  
A woman trying an auto from a used car lot in a two-car crash Sunday evening at 18th and State streets and was charged with reckless driving and operating an improper turn and operating a motor vehicle without a driver's license. Bessie Butler, 33, of 1747 Delmar avenue, who posted \$27 cash bail, the 1957 auto belonged to Tri-City Motors.

Police said she made a turn off State street to go west on 18th street and hit the east-bound auto of L. B. Crabtree, 62, of 2259 Edison avenue.

**Undergo Surgery**  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Lois Reeves, 2244 Woodlawn avenue; Ruby Jeffries, 1203 S. Boskey; 827 Niedringhaus avenue; Larry Stephens, 1644 Third street; Madison; Estelle McKinnis, 1801 S. Boskey; Madison; Gilbert Duodde, Rural Route One; Harold Cravens, East St. Louis; Charlotte Bilbey, Venice Homes; Wade Walker, 1864 Polaris street; Mildred Thibault, 1916 Joy avenue; Everett and 120 Third street; Violet Landa, 2332 Miracle avenue; Mildred Chandler, 2504 Dogwood drive.

### Special Election On Bond Issue In GC Tomorrow

Press-Record Will Compile Returns

Results of tomorrow's special election on the drainage-pollution abatement program for Granite City will be compiled by the Press-Record staff.

Polling places will close at 6 p.m. and returns are expected to be known within a short time.

Persons interested in the outcome may telephone the Press-Record, TR 6-2000.

For information on where to vote, or to obtain a absentee voting pass, call LABOR HEADQUARTERS, TR 6-4653 or TR 6-4654, or the CHAMBER OF COMMERCE, TR 6-4400.

**Parade Tonight Will Climax 'Yes' Campaign**  
A grassroots Health-Progress campaign by Granite City citizens will be brought to a rousing conclusion tonight with a motorized parade. Signs will urge "Yes" votes by all local residents in tomorrow's special election.

At 6:30, the start of the parade will be marked by detonation of six aerial bombs in the sky above Wilson Park. The caravan will be accompanied by a police escort.

The parade will symbolize the enthusiasm for the drainage-pollution abatement benefits and the earnest desire for all to cast a favorable vote for their community's and their family's health and progress.

The Citizens' Committee spokesman commented, Anthony E. Michel is parade marshal.

Autos will enter the parking lot from Namekiki road and leave through the road extending to Madison avenue.

The route will be Madison avenue, Niedringhaus avenue, Johnson road, Edgewood avenue, West 25th street, Missouri avenue and Route 67A, through the city limits.

The route will be Madison avenue, Niedringhaus avenue, Johnson road, Edgewood avenue, West 25th street, Missouri avenue and Route 67A, through the city limits.

**9 DAYS WITHOUT TRAFFIC DEATH**  
QUAD-CITY

**FALL REVIVAL AT THE FIRST ASSEMBLY OF GOD CHURCH**  
Twenty-fourth and Grand  
Granite City  
OCTOBER 4-10  
7:30 P. M.  
WITH  
REV. & MRS. M. A. GROFF  
Pastors of The First Assembly of God Church  
in Houston, Texas

Mr. Groff, in addition to his outstanding pulp ministry is a featured pianist, organist and composer. His wife is an excellent soprano soloist. You will enjoy the ministries of these folks.

REV. PAUL A. EVANS, Pastor

**Voting On \$10,000,000 Issue For Drainage And Pollution Abatement**  
(Map on Page 18)

Polls will be open from 6 a.m. to 6 p.m. in the city's 25 voting precincts for tomorrow's special election on the \$10,000,000 revenue bond issue for drainage and pollution abatement.

Tomorrow's election, which will be governed by a simple majority, has been termed a "close vote" by local observers.

A moderate turnout of voters is expected. The number is not expected to be close to the 15,000 votes cast in the April 1961 mayoralty election, but is expected to be greater than the 4411 turnout in the city's last special election in December 1958. That was for a \$3,000,000 motor fuel tax bond issue for street improvements.

**Parade Tonight**  
A parade taking attention to the election, planned by the Citizens' Drainage-Pollution Abatement Committee, is set for 6 p.m. tonight. Decorated vehicles in the parade will urge a "yes" vote. The parade route is given elsewhere in this issue.

The proposal for the \$10,000,000 revenue bond issue is being presented on a "yes" and "no" ballot and results are expected to be known within a short time after the polls close at 6 p.m.

The drainage-pollution abatement program going before voters tomorrow has been under consideration for the past 20 years and was submitted to the city council last Dec. 13.

The \$10,000,000 is to include \$2,500,000 for a sewage treatment plant which is being required by the state Sanitary Water Board for construction of the sewerage treatment plant and could receive federal urban renewal funds up to \$200,000.

The bond issue is for a 40-year period with an interest rate not to exceed 5%. The period for retirement of the bonds is expected to be shortened considerably as the community grows and more householders, businesses and industries pay their share.

The minimum monthly fee for the average household is \$3.25, based on water consumption during the winter quarter. The same total minimum fee applies in the Namekiki area where residents are paying \$2.50 a month for sanitary sewers. To their current bills would be added a 75-cent minimum charge based on winter water consumption.

**General Steel Adds Wire Cloth Firm**  
General Steel Industries, Inc., announced last Friday that it has assumed control of Ludlow-Saylor Wire Cloth Co. St. Louis, and will operate it as a wholly-owned subsidiary.

C. P. Whitehead, GSI president, said Ludlow-Saylor shareholders received \$2.50 shares of General Steel common stock for each share of Ludlow-Saylor. There were 24,000 shares outstanding.

Duncan C. Dobson will remain as president of the firm which is a leading manufacturer of industrial wire cloth and screens. It has plants in St. Louis and Los Angeles. Whitehead is former chairman of the Ludlow-Saylor board.

General Steel also has plants in Eddystone and Avonmore, Pa., as well as here and another in St. Louis.

### Vandals Damage Fence

Three cases of vandalism were reported Thursday to Granite City police. The windshield and left door windows were damaged by air gun pellets in an auto owned by John Dugan, 2140 State street, as it was parked at his home.

A prankster threw paint on the side of an auto owned by Abraham Tatossian, 1708 Cedar street, as it was parked in his driveway, and a large glass sign outside the Free Will Baptist church, 2312 Charles, was damaged by air gun pellets.

## St. Mary's Church Prepares For Golden Jubilee Oct. 14

Elaborate preparations are underway for the golden jubilee celebration of Our Lady of Czestochowa Parish, more commonly called St. Mary's Church, being of Polish descent. "Our Lady of Czestochowa," patron of Poland, was chosen as patron of this new church which grew from a tiny organization to a large parish which now boasts

### Sheriff Musso Returns To Duty On Crutches

Madison County Sheriff George Musso is back on duty today following 19 weeks in the hospital. He returned to his desk on crutches this morning.

The sheriff was released from Barnes Hospital, St. Louis, Friday and was given a rousing reception by more than 100 persons when he arrived at the courthouse.

The sheriff was critically injured May 17 in an auto accident near Edwardsville as he was enroute to a reunion of the "Old Pros Club" in St. Louis. The club is composed of former professional football players. He suffered fractures of both legs, multiple fractures of the pelvis, a broken back and chest injuries.

Musso is the Democratic nominee for county treasurer.

#### MORE ABOUT

### 4 Boys Escape

(Continued from Page 1.)

boys had been playing at the tank with hump and matches. The fill cap was pulled back, but the hinge was broken. They were only a small amount of fuel oil inside.

Donley said the tank was owned by A. R. Cooper and he was advised to move it and a nearby trailer in which paint cans are stored. Assistant Chief Donley said he is advising local contractors that use such tanks to make certain they are properly maintained and protected. "And they should be removed when no longer needed," he added.

The boys, who names were not disclosed, caused an estimated \$25 damage to the tank, firemen reported.

### Shrine Pancake, Sausage Dinner Set Saturday

The second annual pancake and sausage dinner sponsored by the Tri-City Shrine Club will be held Saturday at the Masonic Temple, 20th street and Cleveland blvd. Serving will be from 11 a.m. until 6:30 p.m.

The cooking and serving will be by the club members and Shrine ladies. Donations for tickets will be \$1 per person.

Proceeds will be used for regular operation of the club and civic undertakings.

### Lions To Honor Students

Plans to honor Madison high school honor students at a dinner Thursday, Oct. 18, were made by Madison Lions at a weekly meeting Thursday evening. President Charles W. Fremont named Jerry Zahm as chairman of the event.

## DRAINAGE-POLLUTION MONTHLY RATES COMPARISON

Cubic Ft. Per Quarter	WATER BILL (\$2.58 minimum for quarter)	Rate For CITIZENS' Program To End Flooding, Sewage Overflow & Backup	Normal Area Bill LEVEE BOARD River Treatment Only (estimated)	Basic Rate LEVEE BOARD River Treatment Only (estimated)
1376	\$2.58			
1735	\$3.25	\$3.25	\$3.75-\$4.30	\$1.25-\$1.80
1900	\$3.56	\$3.56	\$3.87-\$4.45	\$1.37-\$1.95
2100	\$3.93	\$3.93	\$4.01-\$4.67	\$1.51-\$2.17
2400	\$4.50	\$4.50	\$4.23-\$4.98	\$1.73-\$2.48
2752	\$5.16	\$5.16	\$4.48-\$5.35	\$1.98-\$2.85

NOTE: After 1735 cubic feet per quarter, which is \$3.25 a month, the fee under the Citizens' Health-Progress Plan is identical to the winter-quarter water bill. FUTURE water rate increases, including the one now under consideration, WILL NOT cause the sewer fee rate to increase.

While 50% of Granite City families use less than the 1376-cubic-foot water charge minimum, 85% use less than the 1735-cubic-foot sewer rate minimum in the WINTER QUARTER. This has been verified through official records of the East St. Louis and Interurban Water Co. The monthly sewer rate for each year is based on one-third of the past winter quarter's water bill. Under both the Citizens' and Levee Board plans, the rate is affected by the amount of water used; as households change and use decreases, the sewer rate decreases correspondingly.

Operation and maintenance of the sewage treatment plant will not affect city property taxes. The monthly rate will cover all such costs. Lawn sprinkling in the summer WILL NOT cause the sewer fee to increase; the sewer rate plan is regarded as fair, since it is based on actual use of the sewer system, and all water used in the winter quarter goes into the sewers.

### Three Youths Charged With Breaking Windows

Three Granite City youths have been ordered to appear Oct. 6 in magistrate court on four counts of malicious destruction of property. They are accused of breaking windows about 1 a.m. Saturday.

The boys were arrested Saturday. No pleas were entered, and Police Magistrate Gagarovic released them on \$500 property bond each.

The three are Jim Campbell, 18, of Mercer drive, Tom Feeney, 18, of 2874 Washington avenue, and Talmage Hillman, 17, of 1932 Russell street.

The youths are accused of taking part in a window-smashing spree early Saturday morning. Picture windows were broken in the homes of Mrs. Lamont Rose, 2447 Waterman drive, David Macon, 30 Oaklawn drive, and Leslie Mitkos, 2824 Forest avenue, and a plate glass window at Biltmore Moving Co., 27th street and Washington avenue.

### Treated For Burns

Terry Balwin, 14-month-old, of 1526 Seventh street, Madison, was treated at the St. Elizabeth Hospital emergency room yesterday morning for hot water burns to his chest, abdomen and thigh. He was released after treatment.

### Long Illness Fatal To Alex Terry, 67

Alex E. Terry, 67, of 2816 Harding blvd., died at 10:30 a.m. yesterday at St. Elizabeth Hospital after a long illness. He had been at the hospital six hours.

Mr. Terry, a native of Steelville, Mo., had lived in Granite City 45 years. He retired in 1948 from the Nesco Steel Barrel Co. plant.

Survivors include his wife, Edna; two sons, Russell and Rose; Terry, both of Granite City; a daughter, Mrs. Irene Puhse, Granite City; three brothers, Tom and Clyde Terry of St. Louis and William Terry of Cuba, Mo.; four sisters, Mrs. Edna Trank, Mrs. Lola Adams of Ponce City, Okla.; 11 grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

### Rev. Craddock Attending Annual Church Convention

Rev. James R. Craddock, pastor of Central Christian Church, 3020 Johnson road, left Sunday by plane to attend the 1962 Assembly International Convention of Christian Churches (Disciples of Christ) in Los Angeles, Calif.

Headquarters of the convention will be the Grand Ballroom of the Biltmore Hotel. The assembly opened Saturday and the first session will be held Oct. 5.

Also representing the local church is Mrs. Jane Latham, 2257 Cleveland blvd.

Rev. Leslie R. Smith, minister of Central Christian Church in Lexington, Ky., is president of the convention, and other prominent leaders will conduct sessions. Russell Harrison, a former Granite Cityan, now serving as director of the World Outreach Education Department of the United Christian Missionary Society, also will be in attendance.

## MORE ABOUT Industrial Development

(Continued from Page 1.)

businesses and community assets is given.

### Initial Distribution

The brochure will be made available to industrial development departments of utilities, railroads and governmental agencies, port authorities, the Missouri-Illinois Bi-State Development Agency, U. S. Senators and Representatives of the area, and state boards of economic development in Illinois and Missouri.

Compilation of the brochure was authorized in April 1961 by the C. of C. board. Dr. Mary Meyer, a professor at the Alton center for Southern Illinois University, was hired to make resource surveys and gather other data. A public relations firm, Fleishman-Hillard, Inc., St. Louis, was engaged to organize the data and write the material.

The first draft was presented last February to the brochure subcommittee of the C. of C. Industrial Development committee composed of E. G. Schmitt, chairman, W. F. Hoelscher, L. L. Doherty and Townsend.

The material was revised for its final form and sent to the printers in August. If it became available last week.

Other members of the C. of C. Industrial Development committee, who participated in the preparations are — Harold R. Fischer, Lyle F. Gulley, George K. Hobbeltzelle, G. W. Hoelscher, Henry D. Karandjoff, Carl M. Lomas, John McBride, S. E. Pershall Jr., Carl A. Ranft and M. Freeman Wolfe.

### Mayor Davis Improving; Still No Visitors

Mayor Davis is recuperating nicely from major surgery which he underwent last Wednesday at Jewish Hospital, St. Louis. Mrs. Davis said no visitors are permitted, even though his condition is listed as good.

The date of his return home has not been decided.

## Charge Man In Venice Home Burning Attempt

Charles Mitchell, 23, of 215 Watson street, Eagle Park Acres, is in custody of Venice police after allegedly smashing a window and attempting to set fire to a North Venice home early yesterday.

Police said he is charged with disorderly conduct and destruction of property in a warrant signed by Rosetta Watts, 1203 Market street. She said Mitchell threw a brick through her window and set fire to the curtains after they were quarreled. Only minor damage resulted.

Mitchell is to have a hearing this evening before Venice Police Magistrate Wesley Edwards.

### Mrs. Nellie George Dies;

### Former Venice Resident

Mrs. Nellie George, 71, a former resident of Venice, died at 7:30 p.m. yesterday at her home at 17 East Sunnyslope lane, Phoenix, Ariz. She had been in declining health.

Mrs. George lived in Venice most of her life until moving to Arizona five years ago.

She is survived by her husband, William E. George; a son Robert, and a daughter, Mrs. William (Willena) Bamber, all of Phoenix.

Funeral services will be conducted Wednesday afternoon at Sunnyslope, Ariz., funeral home, with interment in a nearby cemetery.

# Adequate Drainage, Sewage Treatment To Fit City's Need

Another 24 hours and the results will be known.

It was over three years ago that a group of citizens began looking for a solution to Granite City's drainage and sewage problems.

Two years ago this group of citizens was called upon by the city to make an all-out effort to accomplish the twin-task of ridding the community of excess surface water and providing sewage treatment.

Pollution abatement has been ordered by the state Sanitary Water Board, and the state officials are keeping close watch on the outcome of tomorrow's vote.

Should Granite City's forgo the \$10,000,000 revenue bond proposal, the Sanitary Water Board will take immediate action to force the construction of a treatment plant.

It might well direct through

an order to the city, that the East Side Levee & Sanitary District do the job for the city.

**LD Plan Is Costlier**  
A costly, \$3,000,000 treatment plant is the levee district's answer.

It also would be financed through a revenue bond issue. The Citizens' plan is for a \$12,250,000 sewage treatment facility to be located near the Flood pump station at the Army Depot.

This smaller plant would do the job as well as the giant planned by the levee district.

And, its operating cost will be \$70,000 less a year.

The key to the difference is separation of storm water and sanitary sewage.

This reduces the required capacity of the Citizens' committee treatment plant. And, the plant will be large enough to handle a growing community's sewage for 20 years to come.

The levee district's plan ignores the city's storm water problems.

Its treatment plant would go through the unnecessary process of treating rain water.

That would be necessary under present conditions since storm water and sanitary sewage now run through the same sewer lines.

**New System For Drainage**  
The Citizens' plan call for a new system of drainage: sewers and paved, fenced channels to direct storm water away from the treatment plant.

This not only would give the city's sewer system added capacity for future growth, but also by separating completely the storm water flow from sanitary sewage, backflow of raw sewage into basements and overflowing of manholes and corner catch basins, dumping filth on the streets and sidewalks will be eliminated.

Local doctors say this is the best thing that could happen to Granite City.

**Breakdown Of Costs**  
In the bond issue, the Citizens' Committee is offering the \$12,250,000 treatment plant, a \$1,000,000 system of intercepting sewers to divert drainage water from the treatment plant, \$7,000,000 in new storm sewers and channels, \$1,335,000 to widen, pave and fence the Nameoki storm water drainage channels and \$100,000 to install sanitary sewers in the North Granite area, along a portion of New Adams avenue, the last remaining

areas with cesspools and septic tanks.

Householders, businesses, industries and offices all will share in paying the cost.

The program was designed to do the job for Granite City—provide drainage as well as sewage treatment—at the lowest possible cost.

## MORE ABOUT

### No Rent Raise

(Continued from Page 1.)

anticipated city growth, which cannot take place unless drainage, pollution problems are remedied.

**Omission By Veel**  
Also labeled as false was Veel's comment that the Eighth Ward will receive no "storm water improvements." There will be paving, widening and fencing of the Nameoki storm ditch; also all sanitary sewers will be made to work properly, which they cannot now during rain; basement sewer backups will be ended; sewage treatment will be provided; the sewage overflow health menace will be eliminated; and up to \$20,000,000 in federal Urban Renewal funds can be obtained, the committee said. This can include funds for new latrines and catch basins, it was noted.

In saying "we will have a treatment plant," Veel ignored what the vote is, Veel ignored

# Three Youths Unhurt As Auto Hits Fence

Three teenage youths escaped injury about 10 p.m. Sunday when their auto went out of control at the Route 162 intersection, crossed the highway and crashed into the fence.

Police said the auto was being driven south on Nameoki road by Dwayne White, 17, of 2111 Louisiana street. It went out of control and crashed into the Granite City Steel Co. blast furnace department fence.

Passengers were John King, 18, of 2218 Edna street, and Bill Hofstorf, 19, of 2224 Edna street, police said.

## Baton Trophy Winner

Carol Ann Biggs, 11, daughter of Mrs. Pat Biggs, 2964 Center street, won three first place trophies and a third place medal Saturday at a NBYA baton contest in Lemay, Mo.

She won a first place trophy, two second place awards and a third place award.

City council members circulating "No" statements included Third Ward Alderman Rufus LeMaster, whose misstatements were answered previously, and Second Ward Alderman Edmund Bartosik, Bartosik copied several of LeMaster's allegations, including the false inference that the Press-Record declined to publish his views.

the cost, efficiency and home rule factors; in saying water used over the rate minimum will increase the payment, he failed to add this would also be the case under the Levee Board plan, the Citizens' Committee asserted.

In testimony Friday, Drzen charged the increase sought by the company would amount to \$1,400,000 annually, which he contended, "it should be more like \$300,000." He said the rates sought were so high it might force large industrial users to set up their own water service. In one instance, he said, the increase would be 80%.

Welshans, also testifying Friday, and in cross-examination as an argument against the rate of increase sought that there are persons present early in 1963 for reduced taxes at both the corporate and personal level."

## Water Rate Hike Hearing Expected To End Soon

(Special from Springfield)

The case of the East St. Louis & Interurban Water Co., seeking an increased rate in the local area, is approaching its final stages before the Illinois Commerce Commission. The deadline is Nov. 15.

Commission Examiner Martin Dolan of Mt. Vernon said today he expects to set dates for filing briefs and for oral arguments in the case this week.

Randall Robertson, local attorney for large water users will resume presentation tomorrow of prepared testimony by witnesses and subject them to cross-examination by attorneys for the utility and by Miss Suzanne Bohnen, Chicago, employed by the Chicago Management Co., consultants, to do the same for the commission.

## Objectors' Witnesses

The witnesses heard Thursday and Friday were Michael Drzen, engineering consultant and partner of Drzen Associates, Inc., Clayton, Mo., and M. T. Welshans, professor of economics at Washington University, St. Louis.

Drzen gave direct testimony for the objectors and was cross-examined. Welshans, an earlier objectors' witness, was cross-examined by utility attorneys.

In testimony Friday, Drzen charged the increase sought by the company would amount to \$1,400,000 annually, which he contended, "it should be more like \$300,000." He said the rates sought were so high it might force large industrial users to set up their own water service. In one instance, he said, the increase would be 80%.

Welshans, also testifying Friday, and in cross-examination as an argument against the rate of increase sought that there are persons present early in 1963 for reduced taxes at both the corporate and personal level."

# Housewives, Union Members Urge Passage Of Bond Issue

Housewives and clubwomen joined union men, businessmen, industrialists, ministers and doctors in urging "yes" votes in tomorrow's drainage-pollution abatement bond issue election.

Their "capsule" comments in interviews conducted by the Press-Record staff follow:

**Mrs. Sterle (Erma) Morrow**, 2160 Kilbuck avenue, housewife and president of the Wellesville Wagon Club: "All of our members are housewives who have moved here within the past two years. Most of them came from communities that had separate sewers for drainage and for sewage and sewage treatment facilities. We consider separate drainage system a good sewage treatment plant are an investment in the future progress of Granite City."

**Harry King**, 3738 Fair Oaks drive, Granite City Steel Co. employee: "I think we're going to save a lot of money as taxpayers if the bond issue goes through. If we're able to work with the government to help it will be much easier than if we have to go it alone."

**Rev. Paul Evans**, pastor, First Assembly of God Church: "I'm heartily in favor of the bond issue, and I urge its passage. I believe most of the people I have been in contact with have studied the proposal and can be expected to act intelligently on it. We know the situation must be corrected, so basically, it comes down to who shall do the job. I believe with the bond issue, the city will solve its drainage problem in the most efficient and economical manner."

**Mrs. Homer Anderson**, housewife, 2647 Circle drive: "I'm in for the bond issue. I live in North Granite. I know there have been a lot of pros and cons presented on both sides of the issue, but we need sewers now. If passage of the bond issue means sewers, then yes, I'm all in favor of it."

**Robert Spengler**, Granite City school board president: "I think Granite City residents should vote for the bond issue because it seems like a good solution to a very pressing problem. I think the Citizens' Committee plan will accomplish the job adequately, and it needs the support of Granite City voters."

**Rev. Robert J. Baumann**, pastor, St. Peter's Evangelical and Reformed Church: "I'm in favor of

## St. John Lutheran. Woman's Guild Plans Events

A monthly meeting of the Women's Service Guild of St. John Lutheran Church was held Thursday evening at the church, St. Clair and Dale avenues. The pastor, Rev. Samuel Boda, opened the meeting with prayer and a devotional service on the topic "Human Love, Versus Divine Love".

Mrs. Sue Martinko, president, conducted the business discussion and read an invitation from Trinity Lutheran Church in East St. Louis on an evening workshop Oct. 2 at 7:45 p.m. The ladies who plan to attend are asked to contact Mrs. Boding Plans were also made for the 25th wedding anniversary banquet on Oct. 21 at the church honoring Mr. and Mrs. Robert Brokaw.

The ladies were reminded to bring their mite boxes to the October meeting.

Hostesses at Thursday's meeting were Mrs. Lillian Brokaw and Mrs. Cecelia Holman.

A former member, Mrs. Roberta Crawford, was reinstated, and a guest, Mrs. Sarah Schmidt, was welcomed. Others attending were Mesdames Pat Azari, Lydia Boda, Esther Henke, Rose Marie Hine, Gerry Pool, Helen Salter, Denise Schmitz, Mary Venorsky and Clara Hofmann.

Hostesses at the next meeting are to be Mrs. Mary Ann Cowan and Mrs. Josie Diak.

GOLDEN WEDDING. Mr. and Mrs. Louis Willaredt, 2680 Grand avenue, who will observe their fiftieth wedding anniversary with an open house at St. John United Church of Christ, 2900 Nameoki road.

## Mr. and Mrs. Louis Willaredt To Observe 50th Anniversary

Mr. and Mrs. Louis Willaredt, 2680 Grand avenue, will celebrate their golden wedding anniversary with an open house for all relatives and friends from two to five o'clock Sunday in Fellowship Hall of St. John United Church of Christ on Nameoki road.

Mr. Willaredt is 78 and his wife, the former Amelia Buehler, is 71. They were married Oct. 8, 1912, at the home of the bride on Chouteau Island by the Rev. G. P. Plasmann, then pastor of St. John. They have two sons and two daughters, Arthur of

Mattoon, Ill., William, Mrs. Robert (Ruth) Brava, and Mrs. Claude E. (Mildred) Schwendemann, all of this city. There are also nine grandchildren and one great-granddaughter.

Mr. Willaredt was engaged in farming until 1945. Later he was employed at First Granite City National Bank until his retirement in 1958.

Among the guests at the celebration will be the attendants at the wedding fifty years ago, Mrs. Fred Schaper, a sister of Mrs. Willaredt, and Otto Willaredt, a brother of Mr. Willaredt.

Commander Nellie Dix of the local chapter presented the new commander with a scrap book to be used for club purposes.

Among the members making the trip, all of whom are recognized by the state commander, were Mrs. Dix, Mrs. Pearl Griffin, Mrs. Gladys Kertz, Mrs. Norma Darnell, Mrs. Edith McAllister and Bill Bratten.

Miss Courtney  
Is Bride Of  
Kenney Wiggins

The wedding of Miss Mary Courtney, a daughter of Mrs. Mary Courtney, 2840 Palmer avenue, and Kenney Wiggins, a son of Mrs. Frances Wiggins of Marshall avenue, took place Saturday evening at Calvary Baptist Church.

The ceremony was performed at 7:30 by the pastor, Rev. Wilbert Snider, and attendants were a sister of the bride, Miss Janis Courtney, and the bridegroom's brother, William Wiggins.

For her wedding, the bride wore a dress of white brocade, street-length, and a headpiece of veiling. Her bouquet was made up of white carnations, pearl hearts and orange blossoms in a nosegay.

The bridesmaid was in light green brocade with a matching headpiece and a nosegay of peach pom poms.

Palms and candelabra decorated the sanctuary for the service which was followed by a reception in the church parlors.

The newlyweds will reside on Marshall avenue. The bride is employed at the First National Bank in Madison. Mr. Wiggins is an employee of General Industries, Inc.

### Braves Blank Webster Of Collinsville, 27-0

Granite City snapped up an opening kickoff fumble at Webster junior high school in Collinsville Thursday afternoon and scored in the first series of downs to set the pace in a 27-0 win for the Braves, their second straight win.

Jim Millard scored the first Coulee TD on a 20-yard sweep after Webster's early fumble. Millard scored again in the fourth period, going 40 yards this time on another sweep of left end.

Ricky Turner put the Braves ahead 12-0 in the second period when he went over from 25 yards out on an off-tackle play. Tim Hackney's pass to Terry "Cassy" was good for the extra point.

Reserve fullback Jim Norris slashed the final 10 yards off tackle in the fourth period for the last score of the game. Turner tugged in two conversions on runs.

Coaches Bob Ward and John Toccoff cited the defensive play of Dana Lakatos at end, Terry Yates at linebacker and Turner at halfback, play which helped the Braves hold Collinsville outside the visitors' 20 yard line all afternoon.

The 2-0 Braves play North JHS of Collinsville here on Thursday at 4 p.m.

### No. 3 Wood Scores Hole-In-One On 197-Yard Hole

A hole-in-one with a No. 3 wood on a 197-yard hole was chalked up Saturday by John McBride, vice-president and plant manager of Union Starch & Refining Co.

McBride was taking part in a company tournament at French Lick, Ind., on the championship golf course.

### First Warrior Loss

## Collinsville Capitalizes On GC's Bobbles To Score 8-0 SWC Victory

Capitalizing on two breaks which came within seconds of each other in the third period Friday night, Collinsville upped its season football record to 3-0 by edging Granite City's Warriors 8-0 on the Cahokia field.

Two Granite City fumbles inside the Warriors' own 10 tipped the balance in favor of Vergil Fletcher's club, which cashed in both times in what was a bruising defensive stalemate otherwise.

"We played a whole of a defensive game," said GC Coach Al Lewis, whose Bedmen had their two-game winning streak snapped in the first 1962 meeting with a Southwestern conference opponent. "Unfortunately, we just couldn't get going offensively."

The game's only score came on a 12-yard pass play from quarterback Joe Brennan to end Bob Lorenz after the Cahoks had recovered a fumbled punt on the GC eight.

Thrown back four yards in two plays, Brennan elected to pass and hit Lorenz in the "uphill" corner of the slanting Collinsville end zone.

Less than a minute later, halfback Nick Petrillo had lost the handle on a Cahok kick at his own six and picked up the ball in the end zone, where Lorenz brought him down for a two-point safety.

Football Oddity  
Granite City elected to kick the free kick instead of a kick-off following the play, an oddity

which was quite legal but had even the officials confused and ready to penalize the Warriors for illegal procedure.

When the matter was finally settled the Cahoks began a series, which died three plays later and set up the fumble-producing punt deep in GC territory.

Both clubs passed up good scoring opportunities in the scoreless first half, with Granite City recovering a Collinsville fumble and driving to the Collinsville 11 in the first quarter.

An intercepted Cahok pass gave the Bedmen another chance in the second quarter, but Collinsville's defense proved stubborn.

The Cahoks' deepest penetration prior to their third quarter scoring flurry was the Granite City 25 midway through the second quarter.

But most of the second half play was played inside the Warriors' 50, and Lewis' boys could not mount a sustained thrust over

the final 24 minutes of play.

The balance in the contest was borne out by rushing yardage comparisons, which showed neither club able to drive against the other on the ground.

The Warriors struggled for 102 yards, two more than totaled by Collinsville.

Both teams handed over the ball twice on fumbles, but the Warriors had the misfortune of bobbling at the wrong times.

Workhorse fullback Bob Pyle, who ran from a halfback position late in the game as Lewis tried to add a little weight to his backfield blocking, led GC ground gainers with 64 yards in nine carries for a fine 7.1 average.

Collinsville's Bob Laurent paced the Cahoks with 52 yards in 17 carries.

Alton Is Next  
"We have the speed but not the weight to provide adequate blocking in our backfield," Lewis concluded, adding a hint that he might beef up the "pony" backfield.

Jim Parker and Petrillo averaged 140 pounds each prior to next week's SWC meeting here with Alton, which won its third straight Friday by topping East St. Louis 7-0.

The Cahoks right now are the top defensive team in the area; while Alton has been scored upon in three games.

While Alton was blanking the Flyers for the second straight

time, Edwardsville edged past Wood River 15-18 in another Southwestern conference contest and Belleville, seventh member of the league, won its third straight and remained unbeaten, topping Staunton 27-7 in a game outside the league.

### Chiefs Net 319 Yards On Ground, Win 29-0

Prather junior high school's football squad amassed 319 yards on the ground Thursday afternoon in crushing Madison high school's freshman gym team 29-0 at the Prather field.

Leo Nighossian paced the Chiefs by running for three scores. He began the scoring with a 15-yard dash in the first period, went 64 yards on a quick spacer in the third period and scored again in the third quarter on a 13-yard sweep.

Leo Revelle scored for the Chiefs in the third quarter on a 15-yard sweep. Tom Sticht ran over three extra points. Prather added two points on a safety in the first quarter.

Madison's deepest penetration was to the Prather 20 in the second quarter. The Chiefs had two touchdowns runs called back because of penalties, and gave up the ball once after a fumble at the Madison one.

The Chiefs are 2-0 and unscored upon. They play in Edwardsville Thursday at 7 p.m. Madison, 0-2 and yet to play its opponent's goal line, is at home to Cahokia's freshman team today at 4 o'clock.

## Scores Three TD's In 2nd Half To End MHS Streak

Leading only 7-0 at halftime, Cahokia wore down Madison's paper-thin ranks in the final two periods and swept to a 27-6 Midwestern conference football victory Friday night in Cahokia.

It was the first victory for the Comanches in seven meetings with Madison, and Madison's first conference loss in eight contests.

Pete Truran's club scored the first time it got its hands on the ball. Quarterback Bob Gephart, whose passes netted over 170 yards for the Comanches, hit junior end Bill Williams with his first aerial attempt in a TD play covering 40 yards.

Don Karr booted the extra point and the Comanches were on the way to their second victory in three games.

Madison's only serious scoring threat which did not materialize came near the close of the first quarter. It was set up by a 46-yard pass from quarterback Gary Skinner to halfback Walt Cooper which moved the ball to the Cahokia 11.

The Trojans punched as far as the Comanche 25, aided by an official penalty, but Karr broke through to throw Cooper for a five-yard loss on fourth down.

That took us right to the ballgame," MHS Coach Glen Pickering said afterwards. "We thought we had the game won."

Neither club could add anything to the scoreboard in the second period, and Madison got the break which led to its only score on another Gephart pass attempt midway through the third quarter.

Cooper And Nizinski  
The senior quarterback failed to his own 35 and was in the process of throwing downward when Cooper crashed into him from a defensive position.

The ball squirted just high enough in the air for Nizinski to gather it in and ramble across the goal without much opposition. Cooper's plunge for the extra point was stopped short.

Comanche tackle Burton Bruce, who spent most of the evening in the Madison backfield mulling up the Madison offense before it could get started, punted from the 50 to Madison's four to set the stage for Cahokia's "breakers" score.

The Trojans made only one yard in three tries, punted, and Cahokia took command of the game. Slippery Tysius Winters picked up 26 yards in three carries to the Trojans' 10, with the line loose to protect against another of the halfback's snafus.

Truran sent fullback McNabb straight ahead on a guard trap play which carried to the Madison one.

McNabb crashed over two plays later to climax the smooth series of the evening and gave the Comanches a 13-6 lead with 30 minutes left in the third quarter.

Madison fumbled and Cahokia retained possession on the last play in the quarter 40 yards from the goal. Seven plays later Winters took a nibble from Gephart and crossed over standing up from the one. Halfback Dave Smith banged in for the extra point and a 20-6 lead.

Turning an inside reverse "loop" play, McNabb (Petrillo) for good yardage, Cahokia drove from its own 30 to the Madison 10 before two Gephart-to-Tin Thomas passes were broken up and the Comanches run out of downs.

But a Madison fumble, the fifth of the game by the Trojans, gave the ball back to the hosts 16 yards from another score. Gephart heaved his second touchdown pass on the first play of the series, hitting end Charles Moxley on a weird completion which saw the ball slip off the fingertips of another Cahokia defender before it settled in Moxley's arms at the goal line.

Winters drove in for the conversion on a 27-6 lead. The Comanches had the ball again as the clock ran out after Skinner's pass intended for end George Russell was picked off by Les Sluder.

100 Yards For Winters  
Winters, the workhorse of the Cahokia backfield, picked up 105 yards in 16 carries for a 6.6

Waylaying Winters. Two unidentified Madison football players combine efforts to bring down Cahokia halfback Tysius Winters after the Comanche speedster had turned the corner for a sizeable gain against the Trojans Friday night in Cahokia, where MHS lost for the first time in seven meetings with Cahokia, 27-6.

average, while Cooper, who injured a leg in the first half and did not carry once in the last two periods, had 45 of Madison's 68 net yards rushing in 12 carries.

He had to make most of it on his own again," Pickering said. "We just weren't getting any blocking and the boys got awfully tired late in the game."

### OES Members Attending Grand Chapter Session

A number of local people, members of Eastern Star Chapters, left over the weekend for Chicago where they will attend the 88th annual Grand Chapter session of the Order of Eastern Star of Illinois at the Medinah Temple Tuesday and Wednesday.

In the party were Mr. and Mrs. Loy Chism, Mrs. Mrs. K. Somers of Danville, and James J. Hutchison Jr. of Chicago. Worthy Grand Matron and Patron.

General arrangements are being handled by Chairman Loy Chism worthy patron of New Hope Chapter, and Mrs. Ruth Rhode of Chicago.

There will be afternoon and evening sessions beginning at 9 a.m. Tuesday and continuing through Wednesday. Officers are to be elected and installed and there will be a luncheon for the grand officers and distinguished guests at the Sheraton-Chicago Hotel at 12:15 Tuesday.

Mrs. Chism is Grand Representative of North Dakota in Illinois. Mrs. Edmonds is worthy matron of Granite Chapter, and Mrs. Griffiths is associate matron.

Proceeding the business session there will be a dinner dance at 6:30 tonight in the grand ballroom of the Sheraton-Chicago Hotel with more than 1000 expected to attend.

REMEMBER YOUR WEDDING AS IT HAPPENED. CALL LAZENBY, TR. 6-2978.

## "COLLEGE COSTS TO DOUBLE BY 1970" ...

PLANNED SAVING NOW PAYS THEIR WAY THEN!

KNOWLEDGEABLE people are predicting that a bachelors degree will be routine, a masters degree commonplace just a few years hence. It follows that those with the best education will have the greatest opportunity for success in the years to come. Will your youngsters have that opportunity?

They will if you begin a planned program of saving for future educational needs. It is really surprising how a modest amount saved monthly here grows in eighteen years. Our savings officer will be glad to help you set up a savings plan for their future. Give them the greatest gift, start saving tomorrow.

An "autumn leaf" event highlighted the weekly meeting of the Ladies Golf Association of Sunset Hills Country Club Thursday, Mrs. T. D. Goertz and Mrs. Robert McLean, both of Edwardsville, were hostesses to the 50 members attending.

### Miss Doherty And Ensign E. F. Koch Are Engaged

Mr. and Mrs. Damon M. Doherty of Affton, Mo., are announcing the engagement of their daughter, Miss Catherine J. Doherty, to Ensign Edward F. Koch, a son of Drs. Joseph and Felicia Koch, 2541 Edison avenue.

### Herbert Bischoffs Celebrate 25th Anniversary

Mr. and Mrs. Herbert J. Bischoff, 1101 West Pontoon road, celebrated their twenty-fifth wedding anniversary Sunday at an open house at their home throughout the afternoon and evening.

The affair was arranged as a surprise by the children of the couple. Mr. and Mrs. Herbert J. Bischoff and Miss Merna Bischoff. Approximately 100 guests called to offer congratulations and best wishes.

The couple was married Oct. 3, 1937 in Mexico, Mo., the home of the bride and lived here since that time. Mr. Bischoff was born and reared here and Mrs. Bischoff came to Granite City from Mexico to attend St. Elizabeth Hospital Nurses Training School. They have one grandchild, John William Bischoff.

Many gifts were received by the couple, as well as cards and messages.

### Sorority Holds Social Meeting

The monthly social meeting of Eta Chapter of the Phi Kappa Theta Omega sorority was held Thursday evening at Augustina's in Belleville with Mrs. Frances Hartman, Mrs. Valeria Bauder, Mrs. Laveada Knobbe and Mrs. Georgina Waggoner as hostesses.

Twenty-five were present, including three trustees, Mrs. Catherine Powers, Mrs. Peggy James and Mrs. Joyce Shatt.

An autumn theme was used in the appointments and the tables were decorated with burlap, pumpkins and candles in wooden bowls, all in the red, bronze and gold fall shades.

Prizes in the games went to Mrs. Ann Tatum, Mrs. Dolores Seibert, Mrs. Harriet Horn, Mrs. Charles Voss, Mrs. James and Miss Katherine Wedell.

NEED GUTTER REPAIRS? CALL DOUGLAS, TR. 6-2388.

## School Menus

Milk also is served, and bread and butter are served when the menu does not include a sandwich.

### Granite City

### TROOP BIRTHDAY

Girl Scout Troop 231 celebrated its third birthday Wednesday with a cookout on the lawn at the home of the leader, Mrs. Lillie Anderson, 2647 Circle drive. A court of awards was held.

A three-tiered birthday cake was topped with three candles lighted by Betty Bilibrey, Linda Plucher and Lois King, who had just joined the troop as fly-ups from a Brownie troop.

Prayer was offered by Kim Scheffel. The girls took turns in cooking meals. Receiving skating badges were Judy Anderson, Kathy Soehntig, Debbie Seebold and Kim Scheffel.

Swimming badges were awarded to Debbie Seebold and Kim Scheffel. Girls receiving three-year stars were Judy Anderson, Kathy Soehntig, Debbie Seebold, Kim Scheffel, Janet

Stoppkotte, Linda Plucher, Lois King and Betty Bilibrey.

John White and Homer Anderson were guests of the girls. A sympathy card was sent to Mrs. Tade Nelson, grandmother of Mrs. Lynn Phelps Johnson, former Senior Scout who assisted the girls.

Intermediate Girl Scout Troop 234 met Wednesday at Prather junior high. Badges were

Granite City PRESS-RECORD

## "COLLEGE COSTS TO DOUBLE BY 1970" ...

PLANNED SAVING NOW PAYS THEIR WAY THEN!

KNOWLEDGEABLE people are predicting that a bachelors degree will be routine, a masters degree commonplace just a few years hence. It follows that those with the best education will have the greatest opportunity for success in the years to come. Will your youngsters have that opportunity?

They will if you begin a planned program of saving for future educational needs. It is really surprising how a modest amount saved monthly here grows in eighteen years. Our savings officer will be glad to help you set up a savings plan for their future. Give them the greatest gift, start saving tomorrow.

## Troopers Using Airplane In Area To Spot Speeders

Troopers no longer need to hide behind billboard signs.

Speed of Quad-Cities area motorists could be clocked at any time from a state police airplane flying overhead, according to state police officials.

Capt. Emil Toffant of Madison, officer in charge of the French Village state police headquarters said one of three planes used in regular police work is stationed at Carbondale for use in the southern district.

The plane has been used recently in speed checks in the area, Capt. Toffant said it could be in use at any time, and motorists should act accordingly.

Lt. Charles Sanders, who is in charge of Illinois state police all operations, said the police plane carries a two-man crew. One man is the pilot, the other an observer.

The observer clocks autos on the ground over 600-foot sections marked on the highway. The time is quickly converted to miles-per-hour, and if the auto is surpassing the speed limit the information is radioed to a patrol car on the ground.

Granite City PRESS-RECORD  
Page 8 Mon., Oct. 1, 1962

In a recent airplane speed check on U. S. 460 near East St. Louis, 28 motorists received speeding tickets. One driver was clocked at almost 85 miles-per-hour.

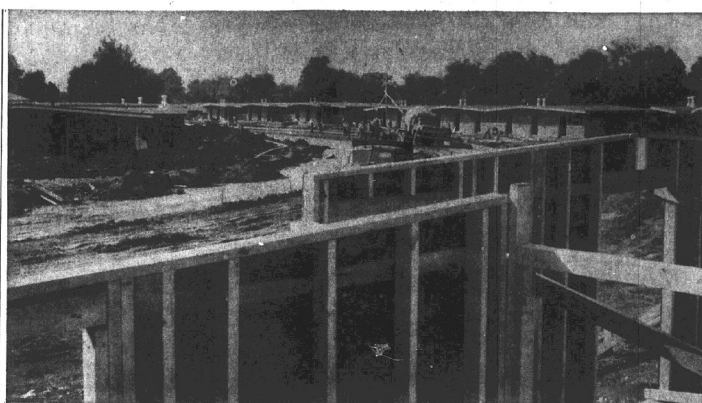

Lt. Sanders said tickets issued to speeders "caught" from the air carry a full explanation of the method used to calculate their auto's speed.

### E' Award For Navy Unit Of Grover C. Lance

Grover C. Lance, aviation electrician's mate (first class, USN, son of Mrs. Mina Lance of 4407 Kirkpatrick Homes, is serving with Patrol Squadron 11, based at the Naval Air Station, Brunswick, Maine, which recently received an excellent mark in battle readiness efficiency for the fiscal year ended June 30.

Members of the squadron are authorized to wear an "E" on the left shoulder of their uniforms in recognition of their contribution to winning the award.

The squadron also has been awarded the Chief of Naval Operations award for aviation safety. The squadron flies land-based anti-submarine aircraft.

ELDERLY HOUSING UNITS are shown in various stages of completion of the "Anchorage" being constructed here by the Granite City Housing Authority. Units in right background are complete on the exterior, those at left are ready for application of brick veneer while framework of additional units rises in foreground.

Press-Record Staff Photographer

In planning a career, pick talent is a necessity, but work you like and have ability little patience is worth much more.

Today the one thing most needed is faith in the future.

Learn to get along with others, and you'll help others get along.

## Young Mother Found Dead By Babysitter

Mrs. Wilma Schoolfield, 24, of 4905 Kirkpatrick homes was found dead on her living room couch about 12:45 p.m. Thursday after apparently taking an overdose of barbiturates.

Deputy Coroner Henry Pieper, who pronounced her dead at the scene, estimated Mrs. Schoolfield had been dead 14 to 16 hours. An inquest is to be held this week.

Mrs. Schoolfield, a divorcee, was discovered by a babysitter, Mrs. Lena Turner, 34, of 2905 Kirkpatrick Homes. Mrs. Turner

er had been keeping Mrs. Schoolfield's two children during the week while the latter worked as a waitress at a St. Louis hotel. Mrs. Schoolfield was a lifetime Granite City resident.

She is survived by the two children, David Scott and Rebecca; her parents, Mr. and Mrs. Creo Lindsay; a brother, Leo Lindsay; and a sister, Mrs. Barbara Smith, all of Granite City.

Funeral services were conducted Saturday at a Granite City funeral home, with interment in Sunset Hill Cemetery near Edwardsville.

An obituary notice appears elsewhere in this issue.

## FOR ALL GRANITE CITYANS

### VOTE "YES"

ON CITIZENS' COMMITTEE  
DRAINAGE-POLLUTION PROGRAM

YOU DO NOT HAVE TO BE  
REGISTERED TO VOTE

POLLS OPEN 6 A. M. TO 6 P. M.

YOUR "YES" VOTE WILL:

1. Give all of Granite City separate storm water and sanitary sewers.
2. Eliminate raw sewage backups in basements.
3. Eliminate disease-bearing raw sewage overflow onto lawns, streets, and into the Nameoki Drainage Ditch.
4. Eliminate flooding of streets by storm water.
5. Qualify Granite City for up to \$20 million in Federal Urban Renewal funds.
6. Put full control of drainage and Mississippi river pollution abatement where it belongs -- here at home.
7. Build treatment plant at edge of river to remove sewage from water just before it enters the river.

THE COST WILL BE:

\$3.25 per month for 85% of ALL Granite City families. Nameoki area families now pay \$2.50 per month for sanitary sewers and so the cost to them will be only 75c more.

THE CITIZENS' COMMITTEE PROGRAM IS  
ENDORSED BY

Tri-City Trades & Labor Council, AFL-CIO  
St. Elizabeth Hospital  
Tri-City Medical Society

PROPOSITION

Shall the sewerage system of the City of Granite City, Illinois, be improved, as provided in Ordinance No. 2028, passed on May 21, 1962, and published on May 24, 1962, and shall Sewerage Revenue Bonds of the City be issued in the amount of \$10,000,000, bearing interest at the rate of 5%?	YES	X
	NO	

The Citizens' Program has been recommended by Clarence W. Klassen, Chief Sanitary Engineer of the Illinois State Department of Public Health, as an "economical, feasible and logical solution" to local drainage, pollution and health problems.

YOUR "NO" VOTE WILL:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
7. Build treatment plant at edge of river to remove sewage from water just before it enters the river.

THE COST WILL BE:

\$1.25 to \$1.80 per month for Granite City families outside the Nameoki area; \$3.75 to \$4.30 per month (\$2.50 plus \$1.25 to \$1.80) for families in Nameoki.

# VOTE "YES" FOR HEALTH AND PROGRESS TOMORROW

TUESDAY, OCTOBER 2 — 6 A. M. TO 6 P. M.

# The FORUM

TO HAVE CITY WE CAN BE PROUD OF, VOTE 'YES'

To the Editor:  
Pollution abatement is a "must." Proper surface drainage is a "kissin' cousin." The two go hand in hand.

A "yes" vote in the forthcoming bond issue would benefit you and me. Even my friend McCombs.

If we defeat this proposal and all future bond issues, then we are dead. Any municipality that is to be progressive—a decent place to live and one with a healthy economy—then first it must be a moving, living thing.

Secondly, it must have a purpose. I've always felt Granite was on the move. Our schools are the greatest. Granite industry and building programs have always been top.

In any way would be tragic—a very serious mistake.

The one thing that stands out for all over the others is that if our cities refuse to meet their obligation—if they become dead and down with political graft and corruption—the only alternative remaining is federal intervention. Centralization of government is just a step away.

I get a belly-ful of individuals that are always grating about their taxes. Sure, mine are high. They will be higher next year. At least I have them to pay.

School finances are in a strain. The sanitation mess is an eye sore of embarrassment. I don't want any more of that.

One last thing, but not the least, in my opinion, I'm committed to a course of action that can only be positive in direction. I want my boys to have the same education possible; also, to live in a community that they can be proud of. Being angry (and I am) is no sure way to miss the cotton-pickin' boat.

Let's get really ugly. I'll agree with Mac. It isn't a disgrace to be ignorant. Only let's not show it by a "no" vote.

HAROLD O. HILL  
2112 O'Hare avenue

**SUGGESTS RATE DATA**  
To the Editor:

As a Granite City householder, I am very much interested in the coming election to finance the sewer drainage and pollution program.

It would be nice to know if the city would publish a list of sewer bills to compare with water bills from the minimum upward.

The Citizens' Committee states that the minimum bill will apply to 8000 households. I think the rest of the people would like to know exactly (in dollars and cents) just how much it will cost them per month.

MRS. M. J. DOOLEY  
1640 Spring Avenue

**SUGGESTS GENERAL OBLIGATION BONDS**  
To the Editor:

I am writing in reference to an article I read about the city's plan to finance the pollution abatement and drainage program.

Revenue bonds in most cases run over a period of 30 years at a rate of interest of 4 1/2% to 5%.

General obligation bonds are the anticipated revenue of the taxing district. There is no need for a bond issue which is known as general obligation bonds. The financing basis for these bonds is the value of the taxable property within the taxing district. If we would use these general obligation bonds, it would come to the home owner's advantage. The home owner in comparison to the industry has more to gain.

In industries, it is possible to charge the cost of the pollution abatement in addition to the other charge based on the amount of water. The use of general obligation bonds, the rate of interest shouldn't exceed 4% to 5% over the time limit out to 20 years instead of 30 years.

What I would like to know is if bond (general obligation) is the best way to finance the project.

GRANITE CITY MAN  
(Editor's note: The Citizens' Committee, seeking to "achieve the greatest degree of equity" in the distribution of the burden of the bond issue, has decided that a charge based on water-quartermaster use of the sewer system is the most fair to all.)

**VOICES DOUBTS ON POLLUTION PROGRAM**  
To the Editor:

Much has been said in reference to the bond issue, but most has been said by the various groups promoting the nullification to be laid around the shoulders of taxpayers' necks.

I am not opposed to anything that supports a high standard, and I realize the pollution of our national waterways must be stopped to provide sufficient water supply for our fast-increasing population. But I do not buy the idea that \$10,000,000 is necessary to complete the job. Adding the interest rate to the bond issue over 38 years equals a cost \$25,000,000.

Do you know how many voters of Kirkpatrick Homes—that will no doubt vote against the bond issue? Is this fair, legal, and constitutional? Who will be the election judges and clerks? Will they be selected from the rank and file of the people?

Why are the civic promoters?

**Large Attendance By County Zoning Supporters Needed At Local Hearings**

Announcement by Thomas Butler, chairman of the Madison County Zoning Commission, that township hearings will be resumed next month is welcome news to all Madison Countyans interested in protecting their property values and in further growth of the county.

Only six of the 24 hearings remain to be held, and three of them are in this community—Granite City, Venice and Chouteau townships. It is of utmost importance that local citizens favorable to zoning attend the hearings and express their views.

There has been a roving band of dissidents present at previous hearings who not only have disrupted the orderly proceeding of the meetings but have clouded the issue with misinformation and half-truths. Unless other citizens appear, a completely erroneous impression will result.

Aside from the preservation of existing property values, zoning is a very important and exceedingly important matter hinges on county zoning. It is the new \$25 million university at Sunset Hill. University authorities have called a halt on construction, asserting that it would be an investment that might well mislead the citizens of the Board of Supervisors on whom the responsibility for zoning action falls.

The first of the resumed township hearings will be in Granite City on Oct. 19. Mark the date on your calendar and be sure to attend. The hour and place will be announced later.

**School Aid Revision Necessary Part Of Any State Economy Move**

State expenditures for education inevitably are a part of the report prepared by the Illinois

Sanitary District. I personally regret your using the "Levee" word in your "whipping dog." As you know, and as the voters should know, this is not a "whipping dog" but a "whipping dog" in any way.

This seems to be a red herring. It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

It is not a "whipping dog" but a "whipping dog" in any way.

**Legislative Subcommittee on Economy Measures, since they make up a large share of the total state budget. Recommendations in this field include several which are especially thought-provoking.**

Abolition of driver training would save \$7,100,000 each biennium. Safe, correct driving is a commendable goal, but such classes are an extra which can continue on as there are enough funds to pay for the instruction responsibility accompanied by stricter written and driving tests, may offer an answer.

State payments to assist county school superintendents make up a \$1,500,000 item. The office was authorized in 1945 to expand superintendents for the 9680 rural one-room school districts—now reduced to less than 100.

Savings could be attained by reducing the number of county school superintendents, such as where a single school district substantially coincides with the boundaries of its county.

Authorization of year-round school, where locally desired, would open the door to savings of 20% to 30% in elementary and secondary education costs. Legislation should be enacted to permit establishment of pilot programs. Three months of idleness for school buildings for which funds may be indefinitely be available.

Re-examination of the basic state aid formulas also is needed. Districts now receive flat grants totaling \$67,700,000 on an apportionment basis. Equalization checks, for which districts must levy qualifying rates, put insufficient emphasis on need and thus fail to achieve equalization.

The subcommittee's findings, now up for study by the General Assembly, raise interesting points. The group contends that prudent economy measures could not only ease the state's financial difficulties but also improve operating efficiency.

**New Car Season—Uniquely American**

What with "rock and roll" and similar fads spreading to other fields, there is little doubt that the world is becoming more alike. But there still is nothing quite like the American "new car season" anywhere else on earth.

Annual unveiling of sleek, super-charged new models, coupled with the drawing of appreciative attention from those ready to buy this year and also from those who merely want to see first-hand how the chrome, curves and caparisons have been changed.

With bicycles still the most popular conveyance overseas, the market there is more limited and model changesovers on such a mass scale are unheard of. The view abroad is that U. S. buyers place too much stress on looks and size and not enough on durability, quality and efficiency.

Europeans may have a point when operating costs are considered, but U. S. manufacturers do not have to take a look set to anybody when it comes to automotive beauty, performance and comfort. And the lure of new designs, even in showroom windows during the next few weeks and you may decide to join us.

Southern Illinois Editorial Association

Seven cents per copy. By mail to Granite City Rural News, \$5.00 per year and second year, \$7.50 per year; third and fourth years, \$8.00 per year; fifth and sixth years, \$8.50 per year. Six months subscription one-half annual rate. Service charge, \$3.00 per year, \$1.00 per month in the winter.

**(Below are questions received by the Citizens' Committee relating to tomorrow's election on drainage-pollution improvements in Granite City.)**

Q. As long as we don't vote for drainage-pollution improvements, we can't be charged anything, can we?

A. Wrong. All Granite Cityans are going to have to pay something, regardless of their wishes. This can be ordered without their approval.

Q. If there is no choice, why hold an election?

A. There are choices on how the work, how it is done and what it costs.

Q. How can it be done most cheaply?

A. Vote "Yes" tomorrow. The "Yes" program—subject of the election—will be cheaper, immediately in the "Nameki" plan, and in Granite City and in the whole open area left to absorb rainfall, and water pours into the one-pipe system more than it can be carried away.

Q. When several individuals or groups live in the same house, will all have to pay the monthly charge?

A. No. The number of fees is determined by the number of water meters.

Q. If the need for pollution-drainage improvements is so great, why wasn't something done years ago?

A. Nameki area residents have scattered sewers, but the old one-pipe system will not work properly until there is also a two-pipe system. The old one-pipe system is a danger to typhoid, dysentery, tetanus, sleeping sickness, polio, malaria, encephalitis, gas, hepatitis, vomiting, diarrhea and other illnesses.

Q. What is the "progress" issue?

A. A modern sewer system can attract new industries, bring more people into the community, increase the value of every property, provide more jobs and result in greater sharing and security for the city.

Q. Where will the new jobs develop?

A. Sewer treatment plant and sewer projects themselves will provide many jobs. Few industries can supply other job opportunities.

Q. And the city can qualify for a \$20,000,000 in Urban Renewal projects, resulting in 100% federal aid for many civic improvements in Granite City—streets, street paving, curb, additional storm sewers, parking areas, and more housing and civic centers—and accompanying jobs.

Q. Just a few years ago it was necessary to replace the foundation of my home which was largely due to streets, ditches and water seeping into the basement. With the two-pipe system, the old ditch being eliminated, the only sewage, whereas without it, the sewage treatment plant would be larger than the city, the additional storm and rainwater, which in turn would be treated and discharged into the river, would mean the cost of operating the plant would also be greater.

Q. To not go forward is to go backward. There is no standard way to vote. There is an issue as important as and as vital as the one confronting us. We have listened intently to the arguments of each side. I have read all the available literature from each side. I did not make a hasty decision, but rather weighed each factor concerned. Not one of us wants to pay any more than we have to pay in this case it is pay we MUST. We are going to pay no matter which side we vote for.

Naturally, I look for what I believe will be most beneficial to the whole. In my opinion, I firmly believe the Oct. 2 bond issue is what our needs and must have to progress.

There are a number of advantages in the bond issue. They are too numerous to mention here. However, the two features which appealed to me in a large measure and influenced my decision to endorse the Oct. 2 bond issue were:

1. That we must pay for one way or another and like it or not, but we must pay. It would be more economical to build and operate because of it.

2. That we have a separate two-pipe system—one set of pipes for sanitary sewers and the other for storm water drainage throughout Granite City. This should have been done years ago.

I have seen the sewer backup become worse and each and every year the danger to our homes and the damage to property increases. Personally, I have experienced both conditions.

Q. Opponents say the plan favors particular neighborhoods or segments of the community.

A. Fees will be based on use of the system, a procedure endorsed by labor, civic groups, and people from all walks of life. All will be paying the same and all will get similar improvements.

Q. People say they already have paid for their sewers.

A. They have paid for a one-pipe system, which is to be used for sanitary sewage only. The new charge will be for sewage treatment—never before required—and for new sewers to carry off rain water. The old combined sewers are inadequate to handle storm water without raw sewage backing up into basements and onto streets and yards, and are becoming more inadequate all the time. Today, there is considerable trouble open areas left to absorb rainfall, and water pours into the one-pipe system more than it can be carried away.

Q. No. The number of fees is determined by the number of water meters.

Q. If the need for pollution-drainage improvements is so great, why wasn't something done years ago?

A. Nameki area residents have scattered sewers, but the old one-pipe system will not work properly until there is also a two-pipe system. ## LABOR LEADER CITES REASONS TO VOTE 'YES'

To the Editor:

Why members affiliated with the Tri-City Trades and Labor Council AFL-CIO and their friends of Granite City are requested to vote "Yes" Oct. 2, 1962.

Endorsed by our employers, who are at the present time using the sewers. The new disposal plant and storm sewer will be shared by all in the Granite City limits. Who says we are building the sewer for industry?

Union Starch Co.—\$88,000 per year for 40 years at 4% or 5% interest. Why would this company endorse this plan if the government or the levee board would do it for less expense?

Residents of Granite City will pay a minimum of \$325 per month, based on your three-winter-months water bill rate which is applied at the same figure for the other nine months, regardless of the amount of water you use.

This rate schedule will stay the same for 40 years and you will not receive any increase or decrease because of an increase or decrease in the water rate. The same will apply to residents of the Nameoki area, except they will be given credit for the present monthly charge of \$2.50 they are now paying, and will pay an additional 75 cents per month.

This project is a "must," and we want the government Ur-

han Renewal money, and we also want a diversified industry, so that if we have declining years we do not have to depend on the steel industry for our economy.

This Citizen Committee plan has been endorsed by the AFL-CIO Tri-City Trades and Labor Council.

JACK GREEN Business Agent, Local 397, Head Carriers and Building Laborers Union

THINK BEFORE YOU VOTE TOMORROW To the Editor:

Taxpayers, it won't be long now until the big vote. Remember, it's quite a sum of money, and will this be all? Who's to pay the school's part? We taxpayers. The hospital's part? The patients, because this could cause a raise in service.

The workers to maintain this will be picked by qualifications through the Water Board. The cost of maintaining this will come from money collected each month, until paid up. Then I guess it will come through taxes.

If you don't pay there can be a lien put on your property or against your wages. I don't know if they can legally tie up your wages if you don't sign anything. I believe it will be hard to attach a lien on your property if you get a good out-of-town lawyer. Also, your sewer could be halted.

Who cares if your vote is "No"? The other cities are faced with this same problem, but we don't hear much about it. Think good about this before you vote. Think of the people on pensions who paid for present sewers. Should they have to pay again? I don't think this is right.

Think of times to come. May you be out of a job. Can you pay this extra cost besides your present obligations? Think about the signs our ex-sanitation workers carry. These men aren't bad yet. There must be truth in their signs; they weren't run out of town. Think of all this and others before you vote.

MRS. GUSTA PENDELTON 2215 Illinois Avenue TR. 6-5027

Dr. Bill Richardson Crusader Royal Ambassadors met Saturday at Second Baptist Church for a state mission season of prayer program. The meeting was called to order by Danny Penrod and opening prayer was by Counselor Bob Lewis.

Theme of the program was "That I May Win Some." Those taking part were Danny Penrod, David Thick and Gregory Lewis. Others present were Joy Lewis, Richard Welby and two visitors, Michael Lewis and Mike Bellman. Prayers were offered by Danny Penrod and David Thick and refreshments were served.

PROMOTION PARTY Junior and Intermediate departments of the Sunday School of Second Baptist Church held a promotion party Saturday evening for juniors being promoted to Intermediates and for Intermediates being promoted to the young people's department.

Mrs. Betty Lewis, junior superintendent, and Mrs. Mary Charlton, intermediate supervisor, were in charge, being assisted by the teachers, Mrs. Bessie, Mrs. Melva Roberts, Mrs. Georgia Mitchell, Gordon Charlton and Garfield Newberry. Games were played, and refreshments were served.

Refreshments were furnished by parents and teachers. Mrs. Charlton gave a talk and introduced the children to the teachers. Promotion Day is the last Sunday in September.

Those present were Janice, Dawn, Jeff, Lettie, Marion, Rebecca Adams, Jane Riggs, Betty Helton, Sharon Bellman, Karen Bulander, Diane Benko, Dawn Elington, Tommy Freeman, Paul Thomas, John Cawley, Richard Miller, Diane Arnold, and John Hutton.

CAS HEAT HEADQUARTERS TRI-CITY HEATING, GL. 2-2110.

## PROCLAMATION

WHEREAS, The Masonic Fraternity of the Quad-Cities, since its founding, adhered to its old traditions and principles, that its members believe in God, be composed only of good men who are desirous of becoming better men and assist Masons and non-Masons alike, and

WHEREAS, In Illinois, Shadrach Bond, the first Grand Master of Masons in our State, was elected by the people of Illinois, and from that time on the members of the Masonic Fraternity, as loyal Americans, have continued to give outstanding service to our State and to the Quad-Cities, and

WHEREAS, The 123rd Annual Session of the Grand Lodge of Ancient Free and Accepted Masons of Illinois will be held in Chicago, Oct. 5th and 6th, 1962, the closing days of the American Masonic Heritage Week, which commences September 30th and continues through October 6th, and

WHEREAS, Thousands of members of the Masonic Fraternity and its Appendant Bodies from every section of Illinois and neighboring States will be in Chicago for this historic occasion, and

WHEREAS, The American Masonic Heritage Week, which will be in a real sense a re-dedication of the Masonic Fraternity and its membership to the ideal for which it has traditionally stood in its hundreds of years of existence, and a renewed devotion to be of greater service to every part of our beloved Illinois, and our Nation;

NOW THEREFORE, WE, the undersigned, Mayors of our respective Cities of Madison, Granite City and Venice, of the State of Illinois, do hereby proclaim the week commencing with Sept. 30th and ending Oct. 6th, 1962, as AMERICAN MASONIC HERITAGE WEEK in the Quad-Cities area, and that appropriate commemorative observances be held throughout the area, in keeping with the spirit of fraternity in this Week of dedication and re-dedication.

IN WITNESS WHEREOF, We have hereunto set our hands and caused the Seals of our respective Cities to be affixed this 28th day of September, A. D. 1962.

STEPHEN MAERAS, Mayor of Madison  
LEONARD R. DAVIS, Mayor of Granite City  
DR. JOHN E. LEE, Mayor of Venice.

MRS. LENNA WILLIAMS 1638 Sixth Street TR. 7-0317

Girl Scout Troop 117 met Thursday afternoon at the home of the leader, Mrs. Thelma Skelly, and will continue to meet each Thursday at her home. An election of officers was held with Nola Baker, named president, Beverly Mathis vice-president, Sandra Martin secretary and Marsha Davis, treasurer.

Other girls attending were Leslie Skelly, Linda Brookshire, Mary Elizabeth Platt and Mildred Bayle.

NEW TROOP MEMBERS The first meeting of Girl Scout Troop 46 of St. Mary's was held Thursday in the school cafeteria. Mrs. Mary Etta Wambach will meet with the girls each Thursday.

A camping trip has been planned for Oct. 26-28 at Camp Lakota. New members taken into the troop were Christine Sanders, Karen Wambach, Joetta Pingle, Sandra Martin and Patti Kostek.

Regular members attending were Vicki Votupal, Andrea Thorburn, Carol Mossa, Kathy McCannan, Delores Stime, Paula Broadway, Sharon Banasak, Cecelia Krakowicki, Carol Pogorelec, Judy Pogorelec, Barbara Kowalsky, Cheryl Patterson, Yvonne Romanic, Janice Pieschinski, Joen Hudzik, Susan Baldwin, Anita Baldwin and Karen Wambach.

## Mrs. Agnes Gaughan Succumbs At Age 79

Mrs. Agnes Gaughan, 79, of 2447 Jerden avenue died at 2:15 p.m. Friday at Jewish Hospital, St. Louis. She had been ill since suffering a stroke June 28. She is the mother of Granite City Supervisor Robert Gaughan.

Mrs. Gaughan was a patient at St. Elizabeth Hospital here for a month after she was stricken, then transferred to the Madison County Nursing Home. She was taken to Jewish Hospital last Monday for rehabilitation and was reportedly making satisfactory progress.

Death was attributed to a sudden heart attack. Mrs. Gaughan was born at Poneta, Ind. She had been a Granite City resident 52 years and was a charter member of the Sacred Heart Catholic Church. Her husband, Daniel, preceded her in death in 1938.

Survivors include another son, Paul of Granite City; a daughter, Mrs. Harry (Marjorie) Parker of Omaha, Neb.; a brother, Joseph O'Neil of Muncie, Ind.; and six grandchildren. Funeral arrangements are given in the obituary column.

### HOMEMAKERS STUDY

**CLOTHING, FALL EVENTS**  
A monthly meeting of the Isabel Beaver unit of the Madison County Homemakers Extension Association was held Thursday afternoon at the home of Mrs. Norma Jean Ross, 1300 Richmond avenue.

A dessert luncheon was served by the month's hostesses, Mrs. Norma Ross and Mrs. Maxine Hacke.

A short business meeting was held after the luncheon. Announcements included a membership drive Oct. 30-Nov. 9.

A craft meeting, "Fun with Felt," will be held in Edwardsville at the Farm Bureau Building Oct. 14 from 1 to 4 p.m. and Mrs. Helen Cushman craft chairman for the local unit, will attend. On Oct. 17 a "Felt and Felt" dessert luncheon will be given at the Ed. Typ and all members are being invited to attend. A luncheon is to be held Oct. 27 at the Farm Bureau Building.

A report was given by Mrs. Ann Pare on the 26th annual Homemakers Extension Convention which she attended in Lexington, Ky., the latter part of August.

"Buying Women's Suits and Coats" was the month's major lesson, given by Mrs. Elaine Wendler, home advisor from Edwardsville. She explained the finer points of buying staple items of a wardrobe, reminding the members that the items should be purchased for quality and durability as they are not replaced every year.

Those present were Mesdames Lillian Adams, Hazel Atchison, Elvora Barnhart, Mildred Ward, Angie Brown, Helen Chavar, Irene Daves, Margaret Elfield, Bernice Friedman, Maxine Hacke, Myrtle Hickman, Lillian Hurwitz, Josephine, Betty Lemon, Lillian Rubenhausen, Margaret Todtloff, Doris Wilson and guests, Mrs. Norma Jackson and Mrs. Eileen Niemczyk.

Next regular meeting will be Oct. 25 when the hostesses will be Mrs. Lemon and Mrs. Friedman.

### ST. ELIZABETH ALTAR SOCIETY MONTHLY MEET

The Altar Society of St. Elizabeth Church held a monthly meeting Wednesday night at the church.

Mrs. Emma Jalcich, president, opened the meeting with prayer, followed by a business meeting. She asked for reports on projects the society will hold in the coming year. Announcement was made of a quilt society at the church Oct. 14; chairman of the event will be Mrs. Eileen Watt.

Sister M. Cecilia, principal of the school, was the speaker of the evening, on "School Progress and Advancements in Education."

There were three main points in her talk, on homework and its importance to the child, use of new television sets recently purchased for the school and their help in science, mathematics and literature.

and the adjusted curriculum for children in the upper grades. Following this a question-and-answer period was held for the mothers attending.

New teachers were introduced by Sister M. Cecilia. Refreshments were served by the hostesses, Mrs. Mary Niebur. The main table was decorated in blue and silver. Mrs. Niebur used a Madonna as the centerpiece, surrounded with blue candles in silver holders.

Next regular meeting will be on Oct. 24, at which time Mrs. Teresa Harding will give a book review. A prize went to Sister Mary Gabriel's first grade for having the largest number in attendance.

### RUTH CLASS ELECTS NEW OFFICERS

The Ruth class of Calvary Baptist Church met Thursday afternoon to elect officers for the new year.

Mrs. S. O'Master, president, opened the meeting with prayer and asked Mrs. Ruth Connors to conduct the devotion. The business meeting followed.

New officers will be: Hazel Brooks, president; S. O'Master, vice-president; Sara Thompson, secretary; Ruth Connors, treasurer; and Gussie Hussman, social director.

The meeting was brought to a close with prayer by Mrs. Lucy Demery. Refreshments were served by Mesdames Kate Stafford, Esther Hoffman, Pauline Travis, Eunice Taylor and the day were Mrs. O'Master and Mrs. Demery.

### PACK 13 TOURS GRANT'S FARM

Cub Scouts of Pack 13, sponsored by the Holy Name Society of St. Elizabeth Church, visited Grant's Farm in St. Louis county Saturday morning. The scouts had a picnic lunch following the tour.

The following den mothers and den participants in the trip: Mrs. Lillian Turck, Den Two; Mrs. Dorothy Elfrink, Den Three; Mrs. Lorraine Mitchell, Den Four; Mrs. Marge Wiesenborn, Den Five; Mrs. Sharon Loftus, Den Six; Mrs. Lillian Turck, Den Eight. Other mothers who attended were Mesdames Manuel Perera, Shirley Kueberg and Julia Lancaster.

### VISIT NURSING HOME

The W. U. Community Missionary Union of Emmanuel Baptist Church visited the Madison Nursing Home Thursday afternoon as one of its first community projects of the new year. The members served refreshments all rooms of the nursing home and presented each with a favor, especially prepared by the intermediate students of the church.

Hostesses for the day were Mesdames Eileen Haddett, Peggy Smith and Wanda Atwood, wife of the pastor, Rev. Atwood.

## United Fund Council Approves Assistance

Expenditures totaling approximately \$2000 were approved Thursday by the Social Planning Council of the Tri-Cities Area United Fund.

Approval was given for four hospitalization cases, including two for heart disease, one for cancer and one for myasthenia gravis. Purchase of an artificial limb also was approved for an amputee who is now receiving occupational therapy from the Visiting Nurses' Association.

The cases were referred to the council by the Visiting Nurses' Association, Catholic Charities, Protestant Welfare and St. Elizabeth Hospital.

The council met at 4:30 p.m. at the YMCA. Vice-Chairman William A. Coyle presided. Fourteen attended.

### Snake Killed In Yard

City Inspector Jack Fricker was called on Thursday to dispatch a snake in the back yard of Mrs. Stella Rust, 2300 Madison avenue. Mrs. Rust said she almost stepped on the snake which was coiled with its mouth open. The species was not established, but Mrs. Rust said it was identified by two individuals as a copperhead and as a water moccasin, both of which are venomous.

## Brief Agenda For GC Council Meeting

Council members are expected to take action this evening on a resolution placed on first reading last week for a \$2500 purchase of a tract along Wabash avenue between Pontoon road and Amos avenue.

The 35-foot wide tract is being sought to eliminate a jog on Wabash avenue at Amos avenue and to provide better access facilities at the Pontoon road intersection.

The agenda for tonight's meeting is brief, calling for routine officer and committee reports. However, it does include a circuit court summons in a suit against the city by John F. Duggan, who was injured in a sidewalk-curb fall Sept. 26, 1961, on Edison avenue near 20th street.

### GC Detective Honored By Police Association

Granite City Detective Ronald J. Veizer was presented an engraved wristwatch at the recent September meeting of the Madison County Police Association. The award was made in recognition of his services as president of the organization.

Veizer is serving his second consecutive term as president, having been reelected last May. The meeting was held at the VFW hall in Wood River.

Know today what you plan to do tomorrow—it's only the finished product that counts.

## Granite City Police Article In Magazine

An article from the Granite City Press-Record was reprinted in entirety as one of the main items in the latest edition of "Policemen's Magazine," the official publication of the Police Association of Illinois. The magazine is a quarterly publication.

The article concerns the cracking of the hooded bandit case by the Granite City police department with the assistance of the sheriff's office.

Four men operated between April 15 and May 4, robbing five taverns and a confectionery of \$1298 in cash and merchandise and even looting customers' wallets and purses.

### Assessors Committee Sets 60% Valuation

A recommendation that township assessors adhere to the basis of 60% of full value of properties in making the 1963 quadrennial assessment next year was made at a meeting Thursday in Edwardsville of the executive committee of the Madison County Assessors Association.

The committee will confer with representatives of the State Department of Revenue on assessment problems and procedures prior to the annual meeting of township assessors in December. The committee also plans to hold several sessions before the annual meeting.

## Fourth PTA Session On Finance Thursday

Fourth session on "School Finance" will be held Thursday at 7:30 p.m. at the Granite City board of education office, 2013 State street. The course is sponsored by the Granite City Area Council PTA.

Harold Thomas of the school administration staff will lead the discussion, which will deal with kinds and amounts of federal aid available to the Granite City school district. Mrs. Mary Dessee, council legislative chairman, said all area PTA's are urged to send representatives.

At the fifth and final session, date and place to be announced later, County School Supt. William R. L. Trimpe will be the speaker.

### Select Name For Son

Robert Lee is the name given to their infant son by Mr. and Mrs. Marcus Vogeley, 3168 Aubrey avenue. The baby, weighing seven pounds, four ounces, was born Sept. 22 in St. Mary's Hospital, East St. Louis. He joins two brothers, Mark, five, and Michael, three, and a sister, Karen Sue, four years old.

### Pfc. Jones In Korea

Pfc. James L. Jones of the 234th Engineer Co. has written his father, Oscar R. Jones, and grandmother, Mrs. Anna Jones, 2411 Lewey avenue, that cold weather is beginning in Korea. He is stationed at Tungkushung, Korea.

## 6 Youths Are Charged Following Disturbance

Six youths were apprehended by police at 1 a.m. Saturday following a disturbance at East 23rd street and Nameoki road.

Two of the boys, Robert Davenroy, 15, of 1229 Klein street, Venice, and Donald Coggins, 16, of 1000 Third street, Venice, were charged with curfew violation. They were released to their parents' custody.

Danny Browley, 19, of 2032 Lindell Blvd., pleaded not guilty to a charge of fighting. He was released on \$16 cash bail and a hearing was set by Police Magistrate Gasparovic for Oct. 9.

William L. Scaggs, 19, of 1314 Oriole street, Venice, pleaded guilty to charges of disorderly conduct and profanity. He was fined \$10 plus costs. The fines were suspended and he was placed on probation for one year.

Gerald Carpenter, 17, of 211 Abbott street, Venice, was fined \$25 plus costs for fighting and creating a disturbance. William Black, 18, of 217 Ashbrook avenue, Venice, pleaded guilty to a disorderly conduct charge and was sentenced to work for five Saturdays at the city hall.

## Jaycees To Meet; Will Aid Highland Chapter

Granite City Jaycees will meet Wednesday night at the Big Top 900 Room for a regular session and will go to Highland Thursday to celebrate the charter of a new chapter there.

The extension at Highland is the local club's first attempt to form a new Jaycee chapter. Taking part in the organization were Larry Holder, state director, and Donald Juergenson, vice-president of the Granite City Jaycees and extension chairman; Alvin Barnes, Earl Dotzauer, Boyd Presley, Jerry McPherson, John Worthen, Donald Young and Robert Schwartz of the local chapter.

MR. AND MRS. DAVID E. HARKEY, who were married Saturday at St. John Baptist Church. The bride is the former Nancy Ruth Storey, a daughter of Mrs. Melba Storey, 2701 Kirkpatrick Homes.

## Candlelight Ceremony For Harkey-Storey Nuptials

Third Baptist Church was the scene Saturday evening of the wedding of Miss Nancy Ruth Storey, a daughter of Mrs. Melba Storey, 2701 Kirkpatrick Homes, and David E. Harkey, whose parents are Mr. and Mrs. Shirley Harkey, 157 Trevelick lane.

Rev. Howard White officiated at the 7 o'clock ceremony before the altar decorated with greenery and lighted with candles in chandeliers. A program of wedding music was provided by Miss Pauline Kuehnel.

Attendants were Miss Judy Harkey, a sister of the bridegroom, maid of honor, and David Powderly, best man. Leah Rae Storey, and Gary Storey, sister and brother of the bride, served as flower girl and ring bearer. Mark Coulter and George Stufham were ushers.

The bride, given in marriage by her father, wore a gown of white peau de soie with a scalloped neckline and a draped waist coming to points in the front and back. The aislewide skirt was softly draped at the back to form a puff and the sleeves were long and pointed at the hands. A puff veil of silk illusion was attached to a crown of pearls and aurora-borealis crystals and the bridal bouquet

was a cascade arrangement of white carnations, lilies of the valley and ivy. The only ornament worn was a cameo necklace which was worn by the bride's maternal grandmother. The maid of honor was attired in a dress of powder blue tulle with a scalloped neck, fitted bodice and short sleeves. The full skirt was ballerina length and a small crown of fabric tubing held in place a circular nose veil. She carried a nosegay of white and blue carnations with blue streamers.

The little flower girl was similarly attired in blue and her flowers were a small nosegay of blue and white flowers. For her daughter's wedding, Mrs. Storey selected a brown embroidered wool jersey sheath, brown and bronze accessories and a corsage of bronze pom-poms. Mrs. Harkey, the bridegroom's mother, was in a beige sheath dress accessorized with pink. Her flowers were pink carnations.

A reception was held in the church basement directly after the ceremony. The bride's cousin, Miss Jackie Hill, was in charge of the guest book. The bride and groom attended the Granite City schools and the groom is employed by the Tri-City Printing Co. The newlyweds will live at 2609 Lincoln avenue.

MRS. LARRY RYAN. A bride of Saturday, before her marriage at St. John United Church of Christ on Nemecki road, she was Shirley Cronovich, a daughter of Mr. and Mrs. John Lesko, 2300 Iowa street.

## Miss Shirley Cronovich And Larry Ryan Wed Saturday

Miss Shirley Cronovich became the bride of Larry Ryan Saturday evening in a double-ring ceremony solemnized at St. John United Church of Christ. Rev. Paul Surbey heard the vows of the couple at 7:30 and a reception followed at The Smorgasbord.

The bride is a daughter of Mr. and Mrs. John Lesko, 2300 Iowa street. Mr. Ryan's parents are Mr. and Mrs. Frank Ryan, 2258 Washington avenue. The sanctuary was decorated with bouquets of white gladioli and pom-poms and lighted with burning candles in candelabra together with standards entwined with smilax and satin ribbon.

Proceeding the service, Warren Simpkins, soloist, sang the Lord's Prayer and "O Perfect Love" accompanied by the organist, Mrs. Isabell Schmidt.

Escorted down the white-carpeted aisle by her father who gave her in marriage, the bride wore a gown of gardenia white slipper satin. Veneer lace outlined the deep oval neckline and trimmed the bracelet-length sleeves. Lace was also used to accent the slim floor-length sheath skirt featuring an over-garment of lace which swept into a graceful chapel train. A pillow of matching lace and satin held in place a veil of silk illusion and the bride carried a cascade of gardenias and garlands of variegated ivy.

Miss Patricia Cronovich was

Miss Doris Dallas' Is Bride Of Gary E. McFalls

The rectory of Sacred Heart Catholic Church was the scene of the wedding Saturday night of Miss Doris Ann Dallas, a daughter of Mr. and Mrs. Joseph Dallas, 3015 Benton street, and Gary E. McFalls, whose parents are Mr. and Mrs. Orville McFalls, 3024 Benton street.

Rev. John Barrett officiated at 7 o'clock, and witnesses were the bride's parents. Others present were the bridegroom's parents.

The former Miss Dallas wore a light gray tweed suit with matching accessories. A reception for the immediate families was held at the Dallas home afterward.

A graduate of the Granite City high school in 1959, the bridegroom is employed by the Laclede Steel Co. The bride, also a Granite high graduate, class of 1961, was formerly employed by the Granite City Trust & Savings Bank. The couple will live in Kirkpatrick Homes.

## Madison

MRS. LENNA WILLIAMS  
1638 Sixth Street  
IR. 7-0317

### LITERARY CLUB HEARS

TALK ON HYPNOTISM  
Mrs. Harry Johnson was hostess to Madison Literary club members Friday evening at St. Elizabeth Hospital. Sister Theresa, guest speaker, gave a lecture on hypnotism.

She has made an extensive study of this phase of medicine and it is being used in many hospitals throughout the country, including St. Elizabeth. It was pointed out that no one can be hypnotized against his wishes.

The members and guests then went to the home of the hostess at 1538 Third street, where refreshments were served from a decorated table.

Plans for the club's 61st anniversary were made. The members and guests are to go to Litchfield to the House of Sunshine for a tour and lunch on Oct. 7.

Those present included Mrs. J. J. Purcell, Mrs. Henry Connolly, Mrs. Gabe Leibler, Mrs. D. S. Revell, Mrs. Duff McElrath, Mrs. L. C. Harlan and Misses Bess Carr, Nell Carr, Grace Dickson and Ellen Folmer and guests, Mrs. William Kincaid and Wilbur Moore.

### QUEEN ESTHER CLASS

#### ELECTS MRS. CORY

The Queen Esther Sunday school class of First Baptist Church met Thursday evening with Mrs. Ann Webb, 1544 Second street, Mrs. Altha Lassen was co-hostess for the monthly meeting.

Each member gave a devotion and a reading from the Bible and commented upon it. Roll call was responded to by reciting one of the beatitudes.

Mrs. Estelle Barthe will continue to be the class teacher. Mrs. Pauline Cory was elected as president. Mrs. Helen vice-president, Mrs. Laura Andrews secretary and treasurer. Ann Webb group leader and Bernice Weidner, flower committee chairman.

Plans were made for a class book to be made for the members. The next meeting is to be held Oct. 18 at the home of Mrs. Velma Riden, 2018 McCasland avenue. Mrs. Riden closed the meeting with prayer. The hostesses served refreshments to Mesdames Weidner, Lassen, Riden, Cory and Barthe and Carol Webb, daughter of the hostess.

### STORK SHOWER

A stork shower was held as a surprise to honor Mrs. Wesley Jones, 1720 Fifth street, Thursday evening in the basement of the First Methodist Church.

The basement was appropriately decorated with a white net cloth featuring green bows and baby faces. Other decorations used a color scheme of green and yellow. The cake was topped with a stork holding an infant. Prizes were awarded to Misses Vickie Patterson, Christine Vaughn, Cindy Dutko, Carol Walker and Donna Palchett.

Refreshments were served to Miss Diane Spohn of Granite City and Misses Colette Andre, Cindy Dutko, Darla McGavey, Mary Helen Geroff, Karen Sue Sasyk, Sherry Lynn Taylor and the prize winners. Many gifts were received.

In the evening, a small family observance was held. Present were grandparents, Mr. and Mrs. N. S. Bellhoff, and Mr. and Mrs. John N. Bellhoff and daughter, Kathy Lynn, Mr. and Mrs. Matthew Blattner and children, Diane and Kenny, Paulette Novoski, Gary and Mary Novoski, Mr. and Mrs. John Rachtel and children, St. Louis and Mr. and Mrs. Don Reeves and son, Bobby.

Birthdays of Mrs. Blattner and son, Kenny, were celebrated Thursday night at their home with a family gathering.

NEW CLUB ORGANIZED  
Earl Hook of East St. Louis and Robert Bradley of Washington Park, representatives of the Illinois Youth Commission, met with a group at the Grenzer recreation center Thursday evening.

Officers elected were: Florence Napier, vice-president; Mrs. Mildred Boyd, secretary; and James Garrison, treasurer.

A name for the new club was discussed. It was decided that the club will meet each Thursday evening until it becomes fully organized.

Present were Mrs. Ann Abernathy, Mrs. Beverly Lewis, Mrs. Lila Hutchinson, Mrs. Duane Brodbeck, Mrs. Phyllis Trebing, Mrs. Vanette Garrison, Mrs. Margaret Szorakin, Mrs. Mary Hughes, James Garrison, Christine Judd, Mary Wylie and Lila Poston.

ANNOUNCE MARRIAGE  
Mr. and Mrs. Thomas Nance, 620 Green street, Madison, are announcing the marriage of their son, P.C. Charles Nance, to Anna Marie Remenges of New York City.

The couple was married Sept. 7 at the Virginia Beach, Va. First Baptist Church. P.C. Nance is stationed at Fort Story, Va.

MOVES TO CALIFORNIA  
Mrs. Thelma McCalnahan, who formerly resided at 1540 Second street, left Thursday morning to make her home in Upland, Calif., where her sister, Mrs. Alene Beck, and family also reside. Her home here has been purchased by Mr. and Mrs. Ralph Macklin.

GO TO CHURCH SUNDAY

### SEVENTH BIRTHDAY

Miss Donna Lee Reeves, daughter of Mr. and Mrs. Don Jones, 1433 Third street, celebrated her seventh birthday at a party Saturday afternoon in the home of her uncle and aunt, Mr. and Mrs. Matthew Blattner, 1208 Grand avenue.

Decorations included a large birthday cake as centerpiece, with favors for each guest. Singing and games were enjoyed and prizes were awarded to Misses Vickie Patterson, Christine Vaughn, Cindy Dutko, Carol Walker and Donna Palchett.

Refreshments were served to Miss Diane Spohn of Granite City and Misses Colette Andre, Cindy Dutko, Darla McGavey, Mary Helen Geroff, Karen Sue Sasyk, Sherry Lynn Taylor and the prize winners. Many gifts were received.

In the evening, a small family observance was held. Present were grandparents, Mr. and Mrs. N. S. Bellhoff, and Mr. and Mrs. John N. Bellhoff and daughter, Kathy Lynn, Mr. and Mrs. Matthew Blattner and children, Diane and Kenny, Paulette Novoski, Gary and Mary Novoski, Mr. and Mrs. John Rachtel and children, St. Louis and Mr. and Mrs. Don Reeves and son, Bobby.

Birthdays of Mrs. Blattner and son, Kenny, were celebrated Thursday night at their home with a family gathering.

NEW CLUB ORGANIZED  
Earl Hook of East St. Louis and Robert Bradley of Washington Park, representatives of the Illinois Youth Commission, met with a group at the Grenzer recreation center Thursday evening.

Officers elected were: Florence Napier, vice-president; Mrs. Mildred Boyd, secretary; and James Garrison, treasurer.

A name for the new club was discussed. It was decided that the club will meet each Thursday evening until it becomes fully organized.

Present were Mrs. Ann Abernathy, Mrs. Beverly Lewis, Mrs. Lila Hutchinson, Mrs. Duane Brodbeck, Mrs. Phyllis Trebing, Mrs. Vanette Garrison, Mrs. Margaret Szorakin, Mrs. Mary Hughes, James Garrison, Christine Judd, Mary Wylie and Lila Poston.

ANNOUNCE MARRIAGE  
Mr. and Mrs. Thomas Nance, 620 Green street, Madison, are announcing the marriage of their son, P.C. Charles Nance, to Anna Marie Remenges of New York City.

The couple was married Sept. 7 at the Virginia Beach, Va. First Baptist Church. P.C. Nance is stationed at Fort Story, Va.

MOVES TO CALIFORNIA  
Mrs. Thelma McCalnahan, who formerly resided at 1540 Second street, left Thursday morning to make her home in Upland, Calif., where her sister, Mrs. Alene Beck, and family also reside. Her home here has been purchased by Mr. and Mrs. Ralph Macklin.

GO TO CHURCH SUNDAY

### 1.35-Inch Rain Is Recorded For Weekend

The area's precipitation, even without yesterday's and last night's 1.35-inch of rain tallied this morning, remains above average for the year. It totals 29.17 inches, or about 1 1/2 inches above average.

In September, rain fell on eight days for a total of 2.70 inches. The average for the month is 2.78 inches. So far this year, rain has been recorded on 111 of the 272 days.

September rainfall included 37 inch on the first, .02 on the fourth, .18 on the fifth, 1.22 inch on the ninth, .75 on the 15th, .03 on the 16, .13 on the 20th and a trace (less than a hundredth of an inch) on the second.

Mr. and Mrs. Claude Chaboudie entertained their pinocle club at their home, 2865 Ralph street, Saturday evening. Prizes were won by Mrs. Marguerite Barr and Glen Chaboudie.

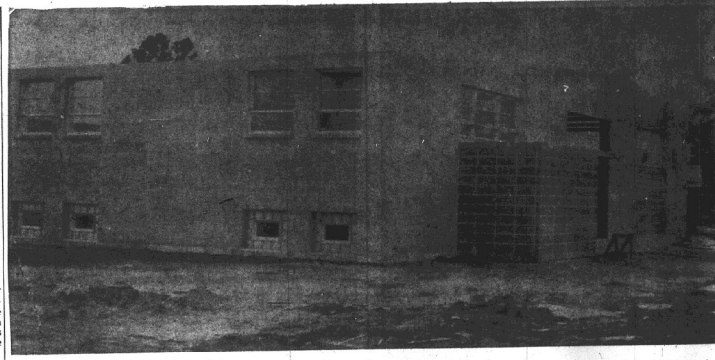

An autumn theme was used, and the hostess served a lunch. Other members present were Clifford Barr, Mrs. and Mrs. Melville Lionberger and Mr. and Mrs. Norman Kinder, at whose home the October get-together will be held.

Girl Scout Troop 266 met Thursday at the home of the leader, Mrs. Marlene Serini. Badge work was discussed and plans were made for work to start on various requirements.

A winner roster was planned for Saturday at Monks Mound. Those taking part were Shirley Barham, Paula Stephens, Debbie Rhoads, Susan Baker and Judy Caray and the leader's daughters, Sharon Lucille and Sandra Kay.

Former Chamber of Commerce, World Trade Commissioner, and a past executive director and St. Louis chapter president of the Junior Chamber of Commerce, he will be introduced by Homer Huber, program chairman, Curran is secretary of the St. Louis Committee on Foreign Relations and has represented the Foreign Policy Association in organizing Councils on World Affairs in 11 midwestern states.

The winds and waves are always on the side of the ablest navigators.

RAPIDLY TAKING SHAPE on Klein street, the new, Venice city street department garage will have a front composed of buff brick walls and inserts of rectangular blocks. A steel skeleton has been erected but there is no roof as yet and walls have not been constructed at the back and along part of the sides. The structure will replace an existing garage adjacent to the city hall.

Press-Record Staff Photographer

### Club To Hear Talk On Foreign Trade Issues

"Trade Relations Between the U. S. and the Common Market" will be discussed at tomorrow's Granite City Rotary luncheon by William H. Curran, assistant to the manager of the St. Louis Field Office, U. S. Department of Commerce.

Former Chamber of Commerce, World Trade Commissioner, and a past executive director and St. Louis chapter president of the Junior Chamber of Commerce, he will be introduced by Homer Huber, program chairman, Curran is secretary of the St. Louis Committee on Foreign Relations and has represented the Foreign Policy Association in organizing Councils on World Affairs in 11 midwestern states.

The winds and waves are always on the side of the ablest navigators.

### Auto, Engine Collide

A minor accident occurred at 6:10 o'clock this morning on Edwardsville road at the railroad tracks at 19th street. An auto driven by Omer H. Meyer, 42, of East St. Louis, collided with a switch engine operated by Cecil Tankley, 38, of 2729 Birch avenue. No one was injured.

Former Chamber of Commerce, World Trade Commissioner, and a past executive director and St. Louis chapter president of the Junior Chamber of Commerce, he will be introduced by Homer Huber, program chairman, Curran is secretary of the St. Louis Committee on Foreign Relations and has represented the Foreign Policy Association in organizing Councils on World Affairs in 11 midwestern states.

The winds and waves are always on the side of the ablest navigators.

### Over 400 Attend Young Democrats First Dance

"The first annual National Young Democrats' Day dance, held Saturday night at the Venice-Madison American Legion Post hall, was attended by over 400 persons.

Daniel Churuvich, chairman, said the dance will become an annual event. Several hundred dollars worth of prizes were awarded—from airplane rides to bulk gallons of milk.

Special guests included county office seekers.

Charge License Violation  
Sherman Clemens, 514 Merced street, was arrested by Venice police Friday night on a

warrant charging that he permitted an unlicensed driver to operate an auto. He was released to return for a hearing.

## \$250 Fur Cape, TV And Boat Motors Among Theft Loot

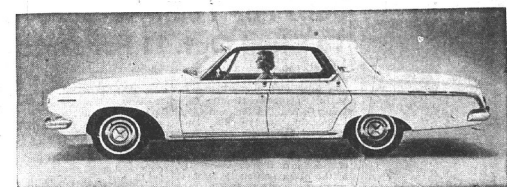

A fur cape, a television set and two outboard motors were among loot taken in thefts and burglaries in the Quad-Cities area over the week end, according to reports from local authorities.

A fur cape valued at \$250 and a 19-inch portable television set were stolen from the home of Helen Roussin, 2009 Pontoon road, according to a report to police about 2:15 a.m. Sunday. It was discovered the rear screen door had been cut and the house door forced open. The TV set was taken from the living room and the cape from a bedroom closet.

**Two Boat Motors Stolen**  
Two 100-horsepower outboard motors, valued at several hundred dollars, were stolen Saturday off a boat in the yard of Robert Becker, who lives along Route 111 near Lakeside Airport.

County authorities said the thieves apparently left their vehicle near the highway and carried the motors to it. A 40-hp motor, also belonging to Becker, was found lying along the dirt road leading to his home.

A burglar with an apparent heavy appetite struck Sunday night at Chuck & Marie's cafe, 1920 Missouri avenue. Entry was gained by prying a board from a window and crawling

1963 DODGE, which is to go on display tomorrow at Farrington Motors, Inc., 1911 Madison avenue. The new standard size Dodge has a 119-inch wheelbase and features larger dimensions both exterior and interior. A total of 33 models is offered in the Dodge and Dart lines, including the Polara four-door hardtop shown.

## 1963 Dodge Line Shown Tomorrow By Dealer Here

The widest selection of models in Dodge automotive history is included in the 1963 line to go on display tomorrow at Farrington Motors, Inc., 1911 Madison avenue.

A total of 24 different models in three separate series is offered in the Dodge line, with nine models offered in its companion compact line, the Dart.

Don Z. Farrington, head of the local firm, said the 1963 Dodge is built on a 119-inch wheelbase and is six inches longer than last year's model. He said substantial increases in passenger room and trunk space are featured.

"Log room for back seat passengers, for example, has been expanded by nearly two inches and knee clearance by nearly one and a half," Farrington said. "Trunk space has been increased

by more than 10%." While the 1963 Dodge is larger, less than 45 pounds of weight have been added and a favorable power-to-weight ratio has been maintained, he said.

Among the engineering improvements, the new line features more thorough protection from corrosion, an aluminum exhaust system, transistorized radios, a replaceable automatic transmission oil filter, an improved starter for the six-cylinder engine and other mechanical innovations.

In the 1963 Dart, buyers have a choice of two engines. Standard is the "slant" six-cylinder, with a larger, 225-cubic-inch six optional. A new medium price Dodge, the "880," is to be introduced in December, Farrington said.

## St. Elizabeth Parishioners Buy Car With Trading Stamps

Delivery is expected soon of a new station wagon for use by the Catholic sisters at St. Elizabeth convent. It was bought by parishioners—with trading stamps.

Rev. Lawrence J. Mattingly, St. Elizabeth Church pastor, said the idea was originated by the men of the Holy Name Society. The task was accomplished through contributions of trading stamps of various types.

Rev. Mattingly said a box was placed in the church to accept the trading stamp contributions. Each week the parishioners added their stamps to the accumulation.

The stamp collection began just after the first of the year, the pastor said, and enough stamps had been gathered by mid-July. It was decided to wait until 1963 model autos were available before completing the purchase, however.

Advance arrangements had been made with the trading stamp companies to convert the stamps to cash rather than exchange them for merchandise as is normally required under most stamp plans.

The new auto will be provided by Matthews Chevrolet Co., 1511 N. Broadway, St. Louis. The task was accomplished through contributions of trading stamps of various types.

"I don't recall exactly how many stamps were collected," said the pastor, who credited the men of the Holy Name Society with doing most of the work. "I do know it took quite a few, and we had stamps of all kinds."

Regardless of the number of stamps required, the plan apparently has been accepted as quite successful. Now a Sacred Heart Church organization has begun a similar project.

## Churches Urge GC Voters To Go To Polls Tomorrow

Appeals were made from the pulpit and in church bulletins yesterday for Granite City voters to go to the polls and vote in tomorrow's special drainage-pollution abatement election. One bulletin urged Granite City voters to vote honestly and truthfully, and we shall have the best for Granite City.

The move was inaugurated by the Tri-City Ministerial Association, whose members have endorsed the program. All churches were urged to ask their members to vote.

Typical of the bulletin appeals was that of Msgr. Michael Costello of Sacred Heart Catholic Church.

The Monsignor said: "Important election on Tuesday. It is an election in which everyone without exception should take part. It is an election on which the future of Granite City depends and will be held on Tuesday, Oct. 2."

"We have no intention of telling you how to vote. All we ask is that you express your opinion as to the polls honestly and truthfully."

"If everyone does that, we shall have the best for Granite City."

"As an individual, we have the same right to express our opinion. We don't mind telling you that we shall vote 'YES.'"

**Cub Leader Sessions**  
Quad-City cub pack leaders and den mothers will hold two important meetings this week—a monthly roundtable at 7:30 to 9 p.m. Tuesday at Central Christian Church.

**Hi-Run Collision**  
A hit-and-run car damaged the left rear fender of the parked auto of Willie Hudson, Rock Hill, Mo., at 12:30 a.m. Saturday on Eagle Park road.

NURSES AIDE CLASS graduated last week at St. Elizabeth Hospital. Graduates, not all of whom are shown, are Jessie Albert, Helen Arico, Julia Bolton, Lulu Craig, June Eavson, Mary Ford, Lydia Henderson, Freda Leaton, Vesta Lewis, Dorothy McCain, Clara Orgovan, Cornelia Owens,

Elsie Quinlan, Jane Smith and Joan Welch. Mrs. Marieta Daniels, R.N., course instructor, is in the front row center while Sister Mary Thomas, hospital administrator, is at top right.

Press-Record Staff Photographer

## Driver Charged After Venice Collision

Autos driven by W. F. Komety, 35, of Berkeley, Mo., and William A. Stull, 20, of 1814a Delmar avenue collided at Main street and Broadway, Venice, at 4:30 p.m. yesterday. Police said they were traveling in opposite directions. The left side of each vehicle was damaged.

Stull was charged with driving without a license. Released on \$15 cash bond, he is to appear for a hearing before Venice Police Magistrate Wesley Edwards at 6 p.m. today.

**Vandals Damage Fence**  
A fence post was pulled out of the ground at St. Bartholomew's Church, 22nd street and Grand avenue, and placed in the doorway of the church early Saturday morning. It was the fourth time it had happened, Rev. David Nyberg told police.

**Vandals Damage Plumbing**  
Vandals pulled copper tubing for plumbing out of the floor at a construction job being undertaken by M. H. Wolfe Co., at 24th and Center streets. It was discovered this morning. The vandals also took the sparkplugs out of a welder.

## Community Concert Board To Meet Sunday

The annual fall meeting of the board of directors of the Tri-City Community Concert Association will be held Sunday at 2 p.m. in the Granite City Trust & Savings Bank.

Raymond Henley, president, said the agenda includes nomination of new directors.

## Soda Machine Looted

Mertz drive-in laundry in the 2200 block of Madison avenue was burglarized early this morning. A soft drink machine was rifled of an undetermined amount of change.

## Accident At Curb

A minor accident occurred at 7:30 o'clock this morning involving autos driven by Beaton C. Asperger, 30, of 2038 Beck with street, Madison, and Harold V. Thomas, 57, of 2820 Grand avenue. Police said Thomas was pulling away from the curb at Madison and Niedringhaus avenues and Asperger was attempting to park when the accident took place.

## Winners In Baton Contest

Marilyn Weckman, 12, daughter of Mr. and Mrs. William Weckman of Wayne avenue, and Debra Presley, eight, daughter of Mr. and Mrs. Boyd Presley, Rural Route One, received first place trophies in baton twirling in Lemay, Mo., Sunday. Debra also received a second place medal.

## DODGE PRESENTS THE DEPENDABLES FOR 1963!

1963 DODGE... BEAUTIFUL NEW ENTRY IN THE LOW-PRICE FIELD

1963 DODGE DART... A FRESH NEW COMPACT IN THE LARGE ECONOMY SIZE

### INTRODUCING THE 1963 DODGE

Now a complete new line of cars in the low-price field. The 1963 Dodge! People who see it just naturally get carried away. Reasons? 1. The looks: Great! 2. The price: Low! Wouldn't you rather own a Dodge than other low-priced cars? 3. The room: Big! Notice how the roofline sweeps straight back. That means ample headroom for the people in back, not just the ones in front. Seats? Your choice of models with sofa style, buckets or fold-down center arm rest. 4. The upkeep: Low! Dodge is rust-protected. The body unitized. The brakes self-adjusting. A major grease job lasts 32,000 miles, an oil change 4,000. 5. The feel behind the wheel: Like nothing else! Five engines to choose from. Smooth-going torsion-bar ride. Low-friction steering. Chair-high seats. Nylon, leather-grained vinyls. There are several hundred more reasons why you'll be carried away. Your Dodge Dealer has 'em all. See him and drive the beautiful new 1963 Dodge.

### INTRODUCING COMPACT '63 DART

At last. A compact that doesn't give anyone the sardine treatment. The 1963 Dodge Dart! Now everybody gets a fair share on room. Note the roofline. It goes straight back. Result: Even rear-seat hat wearers are treated with deference. And so are those who like some action for a change. Dart's standard Six leaves run-of-the-mill compacts waiting and wheezing. Its optional engine (just a few bucks more) is the same way, only more so. Economical? Like you'd expect a compact to be! That's the whole idea. Dart's too roomy to be a compact, too darned thrifty to be anything else.

Few compacts cost less than Dart. None offers the value. A unitized body, for example, that's rust-protected. 32,000 miles between major grease jobs. Smooth torsion-bar ride. An alternator. A high-speed starter for fast, sure starts. Two series. Nine models, including two pizzazz converts. See your Dodge Dealer.

**NEW 5-YEAR/50,000-MILE WARRANTY!** Your authorized Dodge Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts, transmission case and internal parts, torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, front and rear wheel bearings—provided the vehicle has been serviced at reasonable intervals according to the Dodge Certified Car Care schedule. Factory approved replacement parts may be used for replacement.

Mrs. Donna Rhodes, first, Mrs. Elaine Snow, second, and Mrs. Grace Peterson, third. Refreshments were served to the above and Mesdames Ann Harper, Nancy Pashdag, Emma Kolips and Alice Moonshagian.

**FIFTH BIRTHDAY**  
The fifth birthday of Gary Lichter was celebrated Saturday with a party given by his mother, Mrs. Gene Lichter, at her home, 2421 Kilarney drive, for the next meeting. A late supper was served.

**HONORED ON BIRTHDAY**  
Tom Hewitt celebrated his birthday Friday night with a party given by his parents, Mr. and Mrs. Gary Rainwater, 2401 Wilson avenue.

**MRS. PERKINS HOSTESS**  
Mrs. Pauline Perkins was hostess to the Lucky Ten Canasta club Friday in her home on Greenwood street in Madison. Games were enjoyed and prizes were awarded to all present.

**Fined For Disturbance**  
Roy Wiggins, 43, of 2106 Benton street, pleaded guilty Friday morning to charges of drunkenness and creating a disturbance. He was arrested at 11:45 p.m. Thursday in Granite City. Police Magistrate Gaspard fined him \$35 plus costs and he was sent to the county jail for non-payment of the fine.

**DINE AT HARBOR**  
Members of the Canasta club motored to West Alton, Mo., on Wednesday evening and dined aboard the boat "Paisa" at Harbor Point.

**HOSTESS TO CLUB**  
Mrs. Lil Dur entertained members of the Christmas club Wednesday afternoon in her home. The afternoon was spent at games, and prizes were awarded to Mrs. Edna Miller, Mrs. Mabel McGee, Mrs. Hester Ohlendorf and Mrs. Hazel Painter.

**Gas Heat Headquarters**  
TRI-CITY HEATING, GL. 2-2110.

**RARE BLOSSOMS** are displayed by Mrs. Frank Knackstedt, 2209 Iowa street, whose night blooming cereus surprised everyone by opening to full bloom at 11 o'clock Saturday. The 12-year-old plant, potted and moved indoors each winter, has been blooming for several years. The blossoms mature all summer, then open for about an hour. The blossoms usually open only during the night.

**Expectant Mother Class To Start At Hospital**  
The first of the fall series of the expectant mother classes will begin at 1 p.m. on Tuesday, Oct. 9, in the third floor Salarium at St. Elizabeth Hospital.

**Capacity Audience Attends Concert**  
A capacity audience attended the fall concert of the National School of Music held Thursday evening at Central school auditorium.

**Returns From Hospital**  
Fred W. Miller, 28-N Grand avenue, has returned home from DePaul Hospital, St. Louis, where he was a patient for four weeks while undergoing surgery and treatment. Mr. Miller is supervisor of the Reese Drug store.

**AUXILIARY LUNCHEON**  
Venice-Madison American Legion Auxiliary Unit 307 held a social meeting Thursday evening at the Legion home. The evening was spent at games, and prizes were awarded.

**DINNER FOR AUXILIARY**  
The September meeting of the Venice Social Club Auxiliary was held Wednesday. The evening began with the group enjoying a pot luck dinner, after which the president, Mrs. Deanna Kelly, conducted a regular business meeting.

**Other members present** were Mesdames Dolores Parente, Mary Dixon, Peggy Cochran, Lettie Kelly, Theresa Collins, Angie Udell, Myrtle Bagl, Kate Buschele and Glenda Callahan. Hostesses for the October meeting will be Mesdames Parente and Cochran.

**Other members present** were Mrs. Elsie Cawner, Mrs. Bee Schaffner, Mrs. Rose Ritz, Mrs. Lorraine Morris and Mrs. Dorothy Copeland.

**Refreshments were served** to the above and to Mrs. Jessie Oehler and Mrs. Ora Anderson.

**Jobs For Youth Workshop To Start Oct. 11 For Area**  
Final plans for a six-week workshop on Youth, Schools and Jobs were made Friday by M. A. Thompson, Granite City, Louis G. Rupp, Alton, and Clyde E. Austin, Edwardsville, managers of the three area State Employment Service offices. They met with Dr. David Bear of Southern Illinois University, in the office of County Supt. of Schools Wilbur Trimpe at Edwardsville. Also taking part were Assistant Supt. Ray Draglich and County Coordinator Chester D. Ryan.

### County Baptists Plan Training Program Here

The Madison County Baptist Association will begin operation of a Seminary Extension Center to train Christian workers Nov. 1 at Third Baptist Church. The school will meet weekly on Thursday nights, 26th street and Grand avenue. Pre-registration will be held Oct. 11-12.

Rev. W. J. Richardson of this city has been chosen as director, and Rev. George Sugen, pastor of First Baptist Church, is chairman of the advisory committee which will give general direction to the effort.

Classes are planned for laymen who want to increase their knowledge and abilities in their church work, and for pastors who desire additional study. The first term will offer four courses: Old Testament Survey; New Testament Survey; a religious education course on the principals of teaching for church workers; and a Church History course from the founding of the church to the Reformation. The teachers will be Rev. Sugen, Rev. Carl Jacobs of Alton, Hugh Foster, and Rev. Keith Stanford.

Tuition for the courses vary from \$11.50 to \$14. They are open to the public without restrictions as to previous training. Pre-registration is planned for Oct. 11-12 at First Baptist Church of Mitchell, or by mail to Rev. Clifford Mueller, 2600 Edwards street.

### Contract Award For 2 New Bridges Over Canal Here

Fruin Colton Contracting Co., St. Louis, has been awarded the contract for sub-structure work on the twin 12-span truss and girder bridges over the Chain of Rocks Canal. It was announced last week by the Illinois Department of Public Works and Buildings at Springfield.

The parallel bridges are to serve new Interstate 270, and the St. Louis firm's bid was \$1,967,831. The location will be about two miles west of Mitchell, and the canal will be bridged a short distance north of the present bridge on U. S. Bypass 66-40.

The project of furnishing and installing a highway lighting system on Interstate 70 at the interchange under construction at Alternate U. S. 67 and at the intersection of Alternate 67 with U. S. Bypass 66-40 northeast of East St. Louis, was awarded Rite Electric Co., Granite City. Its low bid amounted to \$124,431.

**Tree Removal, Trim Requests Total 255**  
The street department currently is compiling lists of trees on city property to be removed or trimmed. However, the starting date on the work will depend on the weather.

The department already has received 55 requests for removal of trees and 160 for trimming. Homer Laird, who is taking the calls during the absence of Supt. of Streets William Warfield, said the crews are busy with street, sidewalk and sewer work during the season of good weather.

"We'll get to the trees when the ground begins to freeze and on rainy days," he explained.

The city cares for trees on city property, including those between sidewalks and curbs. The street crew—late last week continued with work projects to repair and clean catch basins, clean sewer lines, sweep streets, place rock in alleys that have been graded and repair sidewalks.

### Noonday Optimist Club Holds Evening Meeting

The Noonday Optimists held their monthly night meeting Thursday at the "Elks" club. About 35 members attended to a program presented by Don Metzner of Alton and Buddy Johnson of Venice. The two are well-known in the area for their pantomime skits and have appeared on television shows.

A new member, Ray Buentz of Illinois Power Co., was introduced. He was sponsored by Floyd Mitchell, also of Illinois Power Co.

Members were urged to vote Tuesday in the special city election on the \$10,000,000 sewage treatment and pollution abatement bond proposal. It was announced that club members paid an interclub visitation last week to the Edwardsville Optimist club.

The Noonday Optimists usually meet at noon Thursdays at the Elks' club. The monthly night meeting is held for the convenience of those who have trouble attending noon meetings.

**United Fund Cabinet Meets To Plan Effort**  
The Campaign Cabinet of the United Fund, consisting of all the commodores of the six task forces, commanders of the 26 flotillas and their assistants are meeting at the Rose Bowl today to check on campaign enrollment progress and make additional plans for opening the campaign. ### K. of C. Names County Chapter Candidates

Tri-City Knights of Columbus Council 1098 nominated three members Thursday night for offices with the K. of C. chapter of Madison county.

They are Louis Bicanic sr., nominated for chapter president; Marvin Boyer, secretary-treasurer; and Robert McCornick, nominee for one-year trustee. The county chapter election will be held in Alton Wednesday evening.

Locally, the Catholic laymen's organization elected new officers for the Columbian Home Association, house committee for Council 1098.

Steve Salchik was named president, succeeding Fred Schuler, who had served in that capacity for the past 15 years. James Worthen was elected vice-president, Oscar A. Reinhardt was re-elected treasurer and Marvin Boyer was named secretary. Schuler was named to a three-

### Nameoki Board Expects Sewer Report Tuesday

An additional report on the proposed sanitary sewer system is to be presented to the Nameoki town board when it meets at 7 p.m. tomorrow at the town hall along Route 162.

Supervisor Harry Briggs said an engineer from H. W. Lochner Co. is to be present to give more details, cost estimates and plans for expansion of the proposed system to include the East Madison portion of the township.

Scheduled for 10 a.m. to noon, the workshop is designed to help Girl Scout leaders identify outdoor life at troop camp sites. Participation in the workshop is limited to 20 registrants, Mrs. Jolly said.

### Few Changes Since Last Election

Only a few changes have been made in city voting precincts since the last city election in April 1961. Since that time the city has annexed the remainder of the North Granite area that had been in Nomeki township and there have been extensions to include the Westchester subdivision east to Edgewood drive. Also, homes along the south side of Ponton road at Cloverview subdivision are in the city; and the Brairfield subdivision developments have been in the city limits.

## Polling Place Locations For Tomorrow's Special Election

Polling places will be open from 6 a.m. to 6 p.m. in 25 city voting precincts for tomorrow's special vote on a \$10,000,000 revenue bond issue for city drainage and pollution abatement. The city's 25 voting precinct boundary lines differ in several instances from the lines for the 32 county precincts, and a number of Granite Cityans will find the precinct numbers on their county voter registration cards do not correspond with the city precincts. For the convenience of local voters, the Press-Record publishes a map of city voting precincts for each election, and for tomorrow's special vote the map appears above.

Polling places for tomorrow's "Yes" or "No" vote will be in the following locations:

**First Ward**  
Precinct One—East Side Levee Board office, 17th street and Madison avenue.  
Precinct Two—VFW Club, 21st street and Washington avenue.  
Precinct Three—Mike Willich residence, 2021 Fourteenth street.

**Second Ward**  
Precinct Four—American Legion Hall, 24th street and Madison avenue.  
Precinct Five—Carpenters Hall, 23rd street and Washington avenue.  
Precinct Six—Pashen building, 200 East 24th street.

**Third Ward**  
Precinct Seven—Winter's Confectionery, 21st street and Delmar avenue.  
Precinct Eight—Feraud's building, 1803 Edison avenue.

**Fourth Ward**

### Reception Held For New Pastor

A reception was held Thursday evening at Central Free Methodist Church, 22nd and State street, honoring the recently appointed pastor, Rev. B. F. Hibbert, former superintendent of the Central Illinois Conference, and his family. Rev. Hibbert comes to the local church after many years of pastoral and executive work. He has served as pastor for 31 years, and 16 years as superintendent in the Central Illinois Conference. In connection with his pastoral work, he served ten years as conference superintendent of Free Methodist Youth. He is a member of the Board of Administration of the general church. He also serves on the Commission of Evangelism Board, and is on the executive board of John Wesley Seminary. Rev. Hibbert and his wife, Irma, are natives of Tennessee. They have two sons, Raymond W., of Webster Groves, Mo., and Dr. William P. Hibbert of McPherson, Kans., and one daughter, Mrs. W. R. Garver of Tampa, Fla. Rev. Ross Carlton, the former pastor at the church, has been elected superintendent of the Missouri Conference.

### George W. Barnes, Venice, Dies At 83

George W. Barnes, 83, of 221 Weber street, Venice, died at 3:45 p.m. yesterday at Jefferson Barracks Veterans Hospital. He had been a patient there four and one-half years. Mr. Barnes was born in Hamilton county, and had been a Venice resident 37 years. He was a member of the Venice United Church, and retired 20 years ago as an employee of the Federal Cold Storage Co., St. Louis. Mr. Barnes is survived by two sons, Cecil of Mr. Vernon and Joseph of El Paso, Tex.; a daughter, Mrs. Beulah Fitzgerald of Venice; a brother, Baker Barnes of Lawton, Mich.; a sister, Mrs. Anna McGill, Harrisburg; seven grandchildren and 12 great-grandchildren. His wife, Amanda Elizabeth Barnes, preceded him in death in 1938.

### Bend Road News

MRS. EILEEN ROBINSON TR. 7-3198

**PARTY FOR PISTOL MEET CONTESTANTS**  
A women pistol shooters' party was held Thursday evening. A fried chicken dinner was served at the Rod and Gun Club. After supper, trophies were awarded to the top three shooters: first place, Vivian Cundiff; second, Vera Bridges; and third, Eileen Robinson. The consolation prize went to Mary Smith. Mrs. Robinson gave out other prizes.

Those present at the party were Mr. and Mrs. Edward Hendricks, Mr. and Mrs. John Ragsdale, Mr. and Mrs. Vernon Ceglinske, Mr. and Mrs. Jay Peeler, Mr. and Mrs. William Metzger, Mr. and Mrs. Ferd Davis, Mrs. Betty Stewart, Miss Mary Smith, Virgil Layton, Mr. and Mrs. Herbert Kincaid, Mr. and Mrs. Emma Summer, Mrs. Bob Burlison, Mr. and Mrs. Ray Cundiff, Mr. and Mrs. Steve Lopez and Mr. and Mrs. Donald Bridges.

**PASTOR APPOINTED.** Rev. B. F. Hibbert, who was recently appointed pastor of Central Free Methodist Church, 22nd and State streets, succeeding Rev. Ross Carlton.

### Cool Summer Cut Pool Attendance

A cool, pleasant summer, enjoyed to the utmost by most Granite Cityans, resulted in a sharp drop in attendance at the Wilson Park swimming pool. It was noted last week in a season report. Park commissioners were advised the drop was 1283 swimmers from 52,634 during the 1961 season to 51,351 during the past summer. The drop was blamed on the cool afternoons and evenings, especially near the close of the season.

### Mrs. Mamie Copeland Dies; Former Resident

Mrs. Mamie Mary Copeland, 83, of Evanston, a former Granite City resident, died at 10 a.m. Sunday at an Evanston hospital. She had been ill a year and at the hospital since May 9. Funeral services will be held here. Mrs. Copeland had made her home at Evanston for the past 21 years, but had previously been a lifetime Granite City resident. Her husband, L. Dow Copeland, preceded her in death in 1937.

Survivors include a son, Richard W. Copeland of Granite City; a daughter, Mrs. Eleanor Russell of Evanston; four sisters; five grandchildren and four great-grandchildren. Funeral arrangements are pending.

**SCREENS & STORM INSERTS REPAIRED.** GRANITE CITY GLASS, 18TH & EDISON. TR. 7-5400

### Rural Route

MRS. MABEL KENNERLY TR. 6-5040

Mrs. Bobbette Phillips, 2928 Washington avenue, has returned home from Barnes Hospital, where she was a patient ten days and underwent leg surgery.

**PARENTS OF DAUGHTER**  
Mr. and Mrs. Melvin Ketcham, 3828 Lake drive, are the parents of a daughter born Thursday at St. Elizabeth Hospital. The baby, who weighed seven pounds, eight ounces, has been named Louise Ann.

The Ketchams have two other children, Mike and Eddie. The grandparents are Mr. and Mrs. P. G. Ketcham of Edwardsville and Mrs. Verna Campbell of Madison.

### Chorophonic Society Resumes Rehearsals

The Southwestern Illinois Chorophonic Society is beginning its fourth season with rehearsals being resumed each Monday evening from 8 to 10 o'clock at the Alton S.U. auditorium. The East St. Louis group rehearses on Tuesday evenings at the S.U. center.

Persons interested in singing with the society may attend the rehearsals or contact the director, Dr. Herold E. Headley at the Alton S.U. center.

The year's schedule of concerts already includes five presentations with plans for a performance of Handel's Messiah at Christmas and the St. Matthew Passion of Bach in the spring.

### Mitchell

MRS. LOIS WEEKS 129 E. Chain of Rocks Road TR. 6-6554

**BRIDAL SHOWER**  
Mrs. Judy Mitchell, 169 Voight avenue, and Miss Janice Corey were hostesses for a personal bridal shower honoring Miss Sharon Corey Thursday evening at the Mitchell home.

Games were played, with prizes going to Miss Janet Allen, Miss Judy Beck, Miss Donna Achenbach, Miss Karen Timmons and Mrs. Norma Fitzhugh. Others present were Mrs. Diana Hartzel, Mrs. Marie Mitchell, Mrs. Pat Norris, Mrs. Nina Sparks, Mrs. Dixie Walton, Mrs. Lois Sheehan and Miss Shannon Malone.

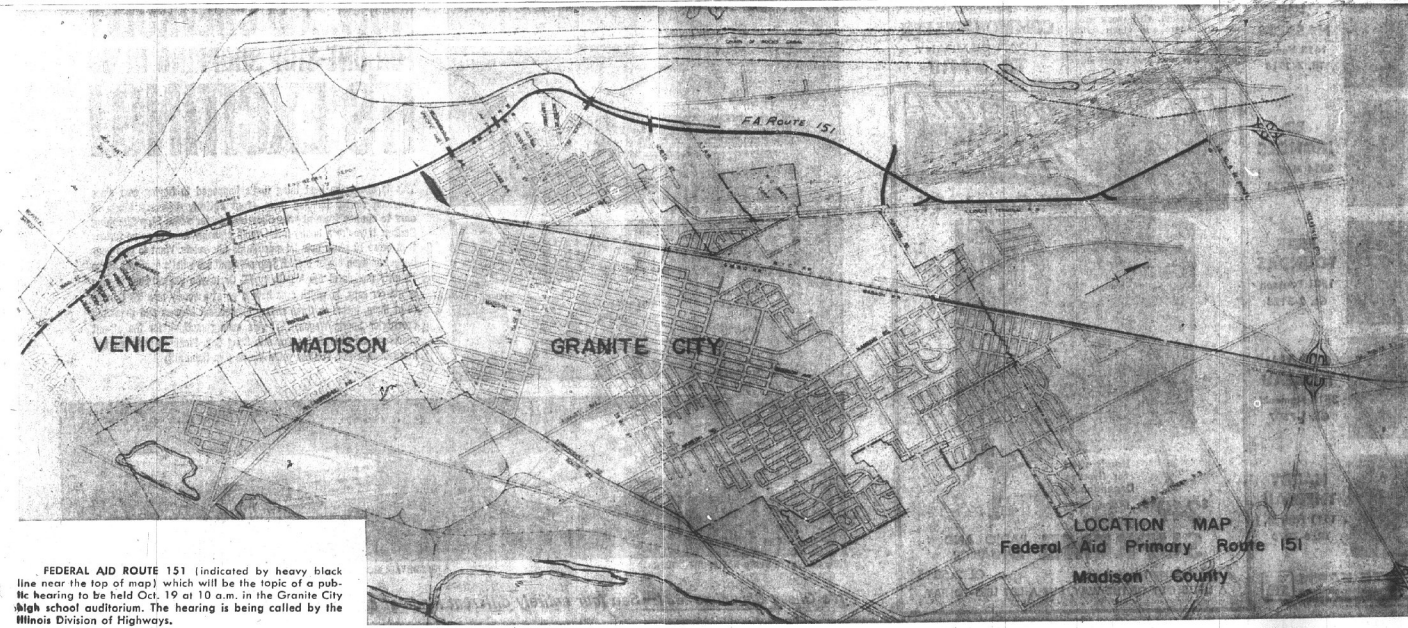

### James Greenwald, 59, Millwright, Dies

James Greenwald, 59, of 2727 Grand avenue, a millwright leader at Granite City Steel Co., died about 2:40 p.m. Saturday at St. Elizabeth Hospital, where he had been a patient 17 days. He had been under medical care for a heart ailment.

Greenwald, a native of Yugoslavia, arrived here from that country 39 years ago and had been employed at the steel mill 39 years. He was a member of Sacred Heart Catholic Church, the Greater Beneficial Union and the Steelworkers Union.

Survivors include his wife, Mrs. Anna (Frim) Greenwald; a son, Frank, of Granite City; two brothers, John of Fort Lauderdale, Fla., and George of Yugoslavia; two sisters, Kath-

## Farm Column

By TRUMAN W. MAY  
Madison County Farm Advisor

Many permanent pastures are literally "sleeping giants." With good management it is possible to double or triple forage yields on some of these pastures.

The first step in pasture renovation is a soil test. Apply lime, phosphorus and potash as the soil test indicates.

Next tear up the old sod. If the land is not too rolling, you may want to plow. Other fields may require only disking or other means to tear up the old sod and make a seedbed.

Next sow in a good legume-grass mixture that is adapted to your soil, climate and farming operations. Control the weeds, and don't overgraze early in the first season.

A renovation program will pay off. Carefully controlled experiments have demonstrated that it is possible to more than double the milk produced on an acre of pasture by renovation.

More details on the steps in a successful renovation program are outlined in the Illinois Forage Handbook written by specialists in the University of Illinois College of Agriculture. Copies of the handbook are available at the farm adviser's office.

One of the larger grain buyers of the county tells us that a truck of wheat recently brought to his elevator had 50 percent heat damage and had to be rejected. Excessive moisture and hot, humid weather apparently caused the condition. Many more bins of wheat stored on farms may have similar damage and should be inspected at once.

Insects in stored grain can also cause great loss. The terminal elevators will reject wheat if there is more than one worm in a sample, dead or alive. This is in accordance with federal law.

Farm storage of grain can be a real problem without drying equipment to reduce the moisture or if precautions are not taken when the wheat appears to be in good condition.

By building the station on the park property, the city is to provide public toilet facilities for the playground.

Members of the park board conferred with Alderman Ford Johnson, chairman of the city's Fire and Water committee, and Alderman Rufus LeMaster. An other meeting is planned after City Atty. John Gitchell and Park District Atty. Randall Robinson confer.

Approximately 100 children took part in last year's party and parade and it is hoped this year's event will draw an even larger crowd.

An estimated 160 tax objections filed by Granite City, Naticook and Venice township residents are to be heard by the Madison county board of review meeting today through Wednesday.

The board met today from 10 a.m. to 4 p.m. at the Elks Club, and is scheduled to meet during the same hours Tuesday and Wednesday. Only those objections which have been properly filed will be heard, and objections have been notified as to the time they should appear.

Objections heard are an assessments recently published. Gus Haller, chairman of the Madison county board of supervisors, is also chairman of the board of review. Other members are Arthur "Pete" Fields of Venice and Charles Rook of Atton.

2000 condition, it's a good idea to rake the surface of the grain occasionally to keep a crust from forming.

Another suggestion is to bring a representative sample of the wheat to the elevator before hauling it in, to avoid having an entire truckload rejected.

Any farm-stored grain should be checked frequently to be sure it is in acceptable condition.

Eating fried oyster pumpkin blossoms is a new experience this summer when Floyd A. Thomas of Cottage Hills brought them to the fair.

The average plant will easily yield 150 blossoms during a six-week period. The pumpkins which they produce sparsely are diminutive in size and of inferior quality as such and are desirable only for the production of seed. The blossoms as a rule are not fertile and would be wasted were they not utilized as food. They must be gathered early in the morning before the sun gets too hot, otherwise they will fold up and be wasted for that day; however, it will not affect the next day's yield adversely.

To prepare for eating, says Mr. Thomas, invert the blossom and clip the base close enough to permit the stems to drop out, remove the five little green sepals around the base and hold lightly under a running faucet so sand or foreign substance may be removed. Handle with care as they bruise easily, then flatten double and place in a cool damp place until consumed; do not freeze. The most desirable way to prepare is to dip them in beaten egg and roll in cracker crumbs. Fry as desired, using just enough butter or oil to keep from sticking as they saturate easily and become too greasy. Thereafter let your conscious be your guide as to how many you consume.

You can determine your losses from shattering in harvesting soybeans by checking the ground behind the combine. Four beans per square foot average means a loss of one bushel per acre.

Unless care is used, losses can easily exceed 10 percent of the crop, especially if the beans are lodged.

One way to keep down shattering is to slow down the travel speed to less than three miles per hour. Also, adjust the reel to revolve only a little faster than the forward speed of the combine and far enough forward so the stems are not carried over.

The bats should hit the stems about halfway down. If the beans are down, speed up the reel more and move it further forward.

Avoid combining in the afternoon if the moisture drops below 11 or 12 percent. Experiments show that shatter losses about double when moisture drops from 15 to 10 percent. Beans cut in early morning will not need drying if the moisture was as low as 14 percent the day before.

For early morning harvest, the cylinder speed will probably need to be about 400 to 450 revolutions per minute, about half that for afternoon combining. Germination of seed can be hurt by high cylinder speed.

Farmers will harvest a record acreage of soybeans this year—and accidents during harvest could cost farmers money, time or even their lives.

Some simple adjustments and repairs before going into the field, made each morning while beans aren't dry enough to cut, will lessen chances of an accident as well as prolong the life of the combine.

Be sure all shields and guards are in place. Open moving parts are always dangerous. Shields are not there for protection.

If repairs or adjustments must be made in the field, shut off "everything." No one realizes how fast moving parts can pull a person into a machine. And don't try to clean out a machine when it's running. This causes many accidents every year.

Rainy weather—common during fall—causes accidents, too. Shields and smooth metal surfaces on machinery become slick and may cause a serious accident. Muddy fields increase chances of slipping and skidding that may result in operator injury.

Mon., Oct. 1, 1962 Page 19

**Fine Crop Produced In Front Yard Garden**

Mrs. Joseph Rill, 2048 Pontoon road, thinks she may have produced some unusual sweet potatoes, at least for home gardening.

When she harvested her crop of sweet potatoes last week she found four weighed over two pounds each and five weighed over a pound each. The largest one was 12 inches long.

"They went so deep I didn't think I'd ever get them out," she said. Mrs. Rill's vegetable garden is in her front yard.

## Vets Needing Dental Work May Seek Aid

Peacetime veterans requiring dental treatment under a new law should make certain of their entitlement and obtain prior approval from the Veterans Administration before beginning hometown treatments.

And new peacetime veterans, hoping to obtain benefits under the law, must get in their applications for compensation within one year of discharge.

John B. Naser, manager of VA's Regional Office at 2030 West Taylor street, Chicago, explained today that Public Law 87-383, signed by the President on Aug. 14, extends treatment to peacetime veterans with service-connected, but not compensable, dental disabilities. Previously, only peacetime veterans with compensable disabilities had been eligible.

Application for service connection or a letter of entitlement should be made in person or by mail to the Regional Office.

Once eligibility is established, authorization for actual treatment will be issued by the VA Outpatient Clinic, 820 S. Damen avenue, Chicago.

Veterans requiring hospitalization for their dental disabilities can apply at any VA hospital with the assurance of a high admission priority.

## MWA Plans Early Halloween Party

All children of school age in Granite City and the surrounding community have been invited to participate in a Halloween party the evening of Oct. 13, sponsored by the Modern Women of America.

Mrs. Shirley Beswick, co-sponsor and general chairman of the party said the event will be held at 2904 Hardin avenue at 8 p.m. and costumes will be judged there. There also will be favors and refreshments.

"Typical Halloween games and entertainment will be provided and there will be special prizes for the costume parades which can be found at home 30 minutes after the celebration is ended.

Approximately 100 children took part in last year's party and parade and it is hoped this year's event will draw an even larger crowd.

**Board Of Review In Session Here**

An estimated 160 tax objections filed by Granite City, Naticook and Venice township residents are to be heard by the Madison county board of review meeting today through Wednesday.

The board met today from 10 a.m. to 4 p.m. at the Elks Club, and is scheduled to meet during the same hours Tuesday and Wednesday. Only those objections which have been properly filed will be heard, and objections have been notified as to the time they should appear.

Objections heard are an assessments recently published. Gus Haller, chairman of the Madison county board of supervisors, is also chairman of the board of review. Other members are Arthur "Pete" Fields of Venice and Charles Rook of Atton.

## W. Granite Fire House Location Under Study

Location of a new fire station for West Granite at Triangle Park is being studied by attorneys for the city and the park district.

The city hopes to replace the West Granite station with a more modern fire house on the south end of the park. The park is located at the west end of 19th street and is bounded by Rock road, Ohio avenue and West 22nd street.

By building the station on the park property, the city is to provide public toilet facilities for the playground.

Members of the park board conferred with Alderman Ford Johnson, chairman of the city's Fire and Water committee, and Alderman Rufus LeMaster. An other meeting is planned after City Atty. John Gitchell and Park District Atty. Randall Robinson confer.

Got a gas heat permit?

Of course, doesn't everyone?

Then you'd better get your gas heat installed now!

What's the rush?

Because when it gets cold, everyone will want gas heat all at once.

Mercy—I never thought of that.

Gas heat is so clean, quiet, comfortable, dependable and, do you know, it's the cheapest, too?

I know, I know—and right now it's available to all Illinois Power customers.

You don't want to get caught in the cold weather rush—some folks will probably have to wait!

I better get moving—thanks, pal.

**GAS HEAT INSTALL NOW**

**HONEYMOONING IN JAMAICA.** Mr. and Mrs. Albert Newsome, who were married recently at Calvary Baptist Church. The bride is the former Patricia Conner, a daughter of Mr. and Mrs. Marvin E. Conner, 2802 Nameoki road. The newlyweds will reside in Belleville.

### Welcome Wagon Club Endorses Drainage Program

The Welcome Wagon club met Thursday evening at the Granite City Trust and Savings Bank and following a talk by Harlan Dobry, executive secretary of the Chamber of Commerce on "The Tri-Cities, past, present, future" and a discussion on the coming drainage-pollution abatement bond issue, held an open discussion on the question and voted unanimously to endorse the measure.

Several charity measures also were discussed and accepted and the remainder of the time was spent at games, the prizes going to N. R. Brink, Mrs. Robert Mills and Mrs. Thelma Fry. The latter, the supervisor from Memphis, Tenn., was a special guest.

Other guests and members present were Mrs. Beverly Jones, Mrs. Michelle Tolon, Mrs. Pat Escheller, Mrs. Doris Harrington, Mrs. Dolores Payne, Mrs. Carrie Rush, and the following new members: Mrs. Helen Warren, Mrs. Pauline Komitich and Mrs. Rudy Shipley.

Joining the group for refreshments were Oliver Jacobsmeier, Gordon Huenner and Harlan Dobry. The hostess was Mrs. Maxine Windisch.

### Danah-Moertl Wedding

Mrs. Charlotte Moertl, 1638 Fifth street, Madison, and Albert Danah of the YMCA, were married at 6 o'clock Saturday evening at Calvary Baptist Church by Dr. Wilbert Snijder.

Attending the couple were the bride's sister, Mrs. Norma Jean Meyer of Shawnee, Okla., and her brother, Ned Tapp of Venice. A reception was held at the Club Delmar after the ceremony and the newlyweds left later for a three-week honeymoon in Los Angeles. The bridegroom is employed by the Granite City Steel Co.

### GARDEN CLUB ATTENDS DISTRICT MEETING

Members of several local garden clubs were in East St. Louis Thursday to attend a semi-annual meeting of District Five, Garden Clubs of Illinois.

Mrs. William Stafford, Region Five director, was in charge and those attending from here were Mesdames John Lehman, Dan Seymour, Al Stevens, Alton Broadwing, William Kirschner, C. E. Eads and H. T. Lewis of the Garden Study Club, and Mrs. Albe Shannon, Mrs. Darrell Edwards and Mrs. Fred Chmielewski, representing the Gardenaires.

### HOSSTESS TO BRIDGE CLUB

The Octagon bridge club met Thursday evening with Mrs. Adolph Wigger, 1717 Delmar avenue.

Honors went to Mrs. Owen Davis, Mrs. Fred Schuler and Mrs. Helen Bernals, and the group was invited to the home of Mrs. Alton Michel, 2822 Yale avenue, for the next meeting.

### Party Honors Elaine Willaredt

Elaine Willaredt, daughter of Police Chief and Mrs. Raymond Willaredt, 2509 Lynch avenue, celebrated her 11th birthday Friday with a slumber party, preceded by a scavenger hunt and a wienner roast.

The girls participating were Cindy Hodler, Brenda Connors, Carol Parker, Marsha Van Deusen, Janet and Sharon Bone, Kathy Browning, Denise Berry, Rita Wallace and the hostess.

### Bay View Club Opens Season

The first fall meeting of the Bay View Reading Club is held Thursday afternoon at the country home of Mr. and Mrs. Emil Mueller near Edwardsville.

Mrs. A. F. Buente Jr. was in charge and luncheon was served to twenty-one, including four guests, Mrs. Earl Varnum of Vero Beach, Fla., an honorary member, Mrs. Warren Simpkins, Mrs. E. A. Branding and Mrs. Robert Baumann.

The program was given by Mrs. A. E. Kumsick, who reviewed "The Heavens" by William Faulkner. Due to a conflict in dates, the Oct. 11 meeting will be canceled as a number of the members plan to attend the meeting of the Twenty-second District, Illinois, Federation of Women's Clubs, to be held at St. John United Church of Christ on Nameoki road.

### MRS. LINDA COFFMAN IS CLUB HOSTESS

The Renegades pinocle club was entertained Thursday evening by Mrs. Linda Coffman, 2425 Center street.

A short business session was conducted before the games. Prizes went to Mrs. Betty Coleman, Mrs. July Bumby and Mrs. Barbara Sherman.

Others present were Mrs. Linda Jarrard, Mrs. Janet Spalding and Mrs. Georgia Miller. The October meeting will be with Mrs. Diana Maxwell, 2111 Lincoln avenue.

### PLANS BIRTHDAY PARTY

Mrs. Sophie Parker, 2137 Benton street, entertained her club, the Jolly Twelve, Thursday.

A luncheon was served to nine members and plans were made for a dinner party in two weeks to celebrate the club's 42nd anniversary.

Awards in the games went to Mrs. Verma Mochle, Mrs. C. W. Genard, Mrs. Jean Barnes, Mrs. Adaline Schwander and Mrs. Charles Sparks.
